Day 2 — 2 : JOHANNESBURG - EAST LONDON - KEI MOUTH - 1-2 hours riding

On arrival at Johannesburg, you will make your way to the domestic terminal for your connecting flight to East London airport - again we can book this flight for you if requested. We recommend flight 4Z915 from Johannesburg, which arrives into East London at 12:00 noon. This allows for an introductory ride on arrival.

You will be met on arrival and transferred by minibus to Kei Mouth. A light lunch will be served and you will change into your riding clothes. Your horse riding adventure starts now!

The afternoon is a short introductory ride around the local area. It will give you the opportunity to blow away those travelling cobwebs and get to know

your horse for the week. A relaxed, friendly evening meal awaits you back at the guesthouse along with a good night's sleep. Overnight at Kei Mouth Guest Lodge.

Day 3 — 3 : KEI MOUTH - QOLORA MOUTH - 4-5 hours riding

Now your horse riding adventure starts in earnest! After breakfast, you'll head back to the paddocks to mount up ready for a short ride down to the Kei River. Here, you and your horse will climb aboard the historic ferry and head over the river into the Old Transkei - where the real Wild Coast begins! The morning will be full of excitement and exploration as you ride over rocky headlands and discover freedom on the long, empty beaches.

The ride will take you through forests and rolling hills to a hidden waterfall where you can enjoy a picnic lunch and one of the most scenic swims you're ever likely to encounter! The afternoon ride meanders back towards the coast where Seagulls Hotel awaits with cold beers and a friendly beach vibe. Here you can stretch your legs on the beach, cool down in the pool, or simply sit and enjoy the sound of the waves as they crash into shore. The evening promises a generous meal, and the chance to share stories with your fellow riders. Our unhurried itinerary gives you plenty of time to explore the hotel and the nearby beaches.

Overnight at Seagulls Hotel.

Day 4 — 4 : QOLORA MOUTH - WAVECREST - 3-4 hours riding

 Wavecrest hotel

You will awake to the sound of the sea and the sense of solitude that comes with sleeping on the edge of Africa. After a hearty breakfast, it's time to move up the coast to Wavecrest Hotel and Spa.

A brisk morning ride sees you traversing rolling hills, clambering up rocky outcrops, and enjoying never-ending canters along unspoilt sandy beaches. Friendly locals greet you as you pass through rural settlements that remain largely untouched by time.

You'll encounter several inland river drifts, open grasslands, and winding sandy paths before veering back towards the sea where the warm hospitality of Wavecrest Hotel awaits. With its traditional thatched cottages and breathtaking views, Wavecrest is a favourite among guides and guests alike. After a light lunch, the afternoon is yours to explore, or relax as you wish. Soothe aching muscles at the Wavecrest spa, explore the river on a kayak, or brave the restless waves of the Indian Ocean - let the spirit of the Wild Coast guide you!

As the sun dips below the horizon, the group will reconvene for sundowners to celebrate the day's journey. Later, you'll enjoy a simple meal of home-cooked local dishes - the perfect end to a day of adventures.

Day 5 — 5: WAVECREST - KOB INN - 5-6 hours riding

 Kob Inn

The tides dictate the next leg of your adventure as you embark on a fast-paced ride to your most remote destination - Kob Inn. Heading inland, you'll cross several rivers before dropping back onto the beach for some exhilarating canters and thrilling stretches along pristine shorelines.

Enjoy breakfast "on the hoof" as you traverse the ever-changing landscape that is the Wild Coast. From rolling hills and open grasslands to narrow winding cattle paths that hover over the crashing waves below, you'll experience a living tapestry of land and sea.

With one final river crossing under your belt, you'll arrive at Kob Inn just in time for lunch. In the afternoon you can relax and soak up the laid-back hospitality of another coastal treasure. With a pub on the rocks overlooking the wild seas and sheltered private beaches on either side, this is an exquisite location in which to kick back and truly embrace 'Africa time'. Overnight at Kob Inn Hotel

Day 6 — 6 : WILD COAST - KOB INN - 5-6 hours riding

 Kob Inn

After an afternoon of relaxation, you should be fresh and ready for a full day in the saddle. Once again, the tides dictate the day's schedule which will take you about 20 km up the coast along sheltered beaches into hidden coves and beautiful lagoons.

Your guide will select a suitable spot for you to enjoy a picnic and possibly even a swim in a lagoon before heading back to Kob Inn for an evening of delicious dining and maybe a few cocktails! Overnight at Kob Inn Hotel.

Day 7 — 7 : KOB INN - WAVECREST - 3-4 hours riding

 Wavecrest Hotel

Time is flying by and it's already time to turn around and head back down the coast. Once more, the timing of the day's riding will depend on the tides as you cross rivers, climb hills and speed along beaches on your way to Wavecrest Hotel.

After a good +/- 30km ride, the afternoon is yours to enjoy as you wish, whether that's another massage at the Wavecrest spa; or a canoe trip into the rare mangrove forests that line the Ngqusi and Nxaxo Rivers. More South African coastal hospitality awaits you as you relax and allow yourself to be spoilt by the caring Wavecrest staff. Overnight at Wavecrest Hotel.

Day 8 — 8 : WAVECREST - KEI MOUTH - 4-5 hours riding

The penultimate day of your adventure is full of riding with fast-paced stretches along the beach, winding canters through the grasslands, and some technical sections that will put your new-found partnership with your horse to the test. Soak up every moment of the adventure as you traverse narrow coastal paths, and shallow river crossings that sparkle in the sunlight, and weave through scattered rural homesteads where children wave excitedly as you pass.

This varied terrain showcases the full tapestry of Wild Coast riding, demanding concentration and skill while rewarding you with ever-changing vistas that capture the untamed essence of this remarkable coastline. Stop off at one of the coastal hotels for a much-needed break and a chance to refuel, before continuing your journey to the Kei River where the ferry awaits.

The ride ends with a quick trot through the village, or a final canter along the Kei Mouth beach depending on the tide, before arriving back at the paddock where your horse will receive some well-earned pampering and a hearty meal.

You're in for some similar treatment as you head to the local restaurant, The Yard, to sample some of the region's best seafood as you soak up the laid-back atmosphere and relive the week's adventures. With its delicious seafood and warm hospitality, The Yard is the perfect place to unwind after an unforgettable ride.

Day 9 — 9 : EAST LONDON - JOHANNESBURG - LONDON - 1-2 hours riding

Depending on your departure time, you could squeeze in one more ride before the shuttle picks you up to transfer you back to the airport.

On the final day of the ride, you will be transferred to the airport at either 9:00 am if taking a flight at noon or 2:00 pm for a late afternoon flight. Flights are not included but can be booked for you on request.

Day 10 — 10 : EUROPE

Guests who do not ride regularly are requested to get fit prior to the ride. It is of particular importance to ensure you are comfortable and balanced when riding at speed across rough terrain and open spaces.

PACKING LIST

Head

- Hard hats are compulsory and we recommend you take your own to ensure a correct fit.
- Sunhat for when not riding
- Sunglasses - with a cord attached so they don't fly off when riding
- Buff or bandana

Upper body

- Long sleeved shirts provide protection from the sun
- T-shirts
- Fleece, jumper or jacket - the evenings can be cold
- Waterproof jacket - required all year round
- Casual clothes for the evening

Legs

- Lightweight, comfortable riding trousers or jodhpurs - we recommend riding in them at home before taking them on holiday to ensure they don't rub
- Shorts for lazy lunchtimes
- Casual clothes for the evening

Hands and Feet

- Comfortable riding boots. We recommend short boots with half chaps. We don't recommend taking your favourite long leather boots in case they get damaged (they can also be hot!). Please note riding in salty water can damage the leather so don't bring your brand new boots.
- Sandals, flip-flops or trainers for when not riding
- Gloves - your hands are particularly exposed to the sun whilst riding

Nightwear

Pyjamas

Other useful items

- Swimsuit - for the pools - the sea is generally not safe for swimming
- Binoculars for spotting dolphins/whales along the coastline
- Camera and high capacity memory card. Spare battery
- Bumbag for carrying your camera and small items whilst riding

Medical kit

- Sunscreen and lip balm - should be high factor
- Insect repellent
- Any medication you regularly take or needed for this trip
- Blister plasters in case of any rubs

- Spare prescription glasses/contact lenses
- Eye drops
- Imodium or similar anti-diarrhoea medication

Our Recommendations

- In your hold luggage: Any liquids, such as shampoo, moisturiser, deodorant over 100 ml and all bottles can be decanted into small, clear, plastic Ziplock bags. We recommend biodegradable washing products where possible.
- Backpacks cannot be worn whilst riding. We recommend a small bum bag or a coat with pockets so that you can carry small items with you during the day (camera, sunscreen, lipbalm etc)
- We recommend taking a copy of your passport and insurance documents with you in case you lose your originals
- In your hand luggage carry any valuables, such as your camera, ipod, ipad etc. We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
