Jordan Explorer - From Petra to Wadi rum

JORDAN

Discover the south of **Jordan on horseback** on a trail ride from the red-rose Nabatean city of Petra to the Wadi rum desert. After a visit of Petra - one of the modern Seven Wonders of the World - this 6-day horse ride takes you from the mountainous area surrounding the city to the steep rock formations of the **Wadi Rum**, and ends with a well-deserved visit to the Dead Sea. Enjoy long canters on beautiful desert roads, experience camping under the stars and taste fantastic local food – this is an **adventurous trail ride** for competent riders.

Trail Riding	 10 days / 6 riding	 From £1,512	
--------------	--	---	---

ITINERARY

Highlights

- A fantastic mix of riding with sightseeing from Petra to the Dead Sea
- A day to explore one of the "new" wonders of the world - Petra, one of the most important archeological treasures in the world and a must-see
- Ride through the Wadi Rum desert, listed by UNESCO

Day 1 — 1: ARRIVAL IN AMMAN

International flight to Amman. Please note that flights are not included but can be booked upon request.

You'll be met at the airport and transferred by car to a hotel in Madaba; a mostly Christian town. (There are no set times for transfer and you can arrive at any time). If time allows you can visit the church of St. George and the mosaics that can be seen at the archaeological museum. Dinner is to your own account this evening.

Please note: You will need to buy a Jordan Pass before departure – your visa fee will be waived upon arrival (www.jordanpass.jo) and your 1-day entry ticket to Petra and entry to Wadi Rum are included in the price.

Overnight at the hotel in Madaba.

Day 2 — 2: AMMAN-PETRA - No riding

After breakfast, you'll be transferred to Petra (approximately a 3-hour drive). You will be taken to the hotel where you can leave your luggage before heading out for an afternoon of sightseeing.

A short walk takes you to the visitor centre to start your visit via the Siq, the Treasury, the street of façades and the colonnaded street. The tour is

unguided but you can hire private guides at the entrance. You can climb up to the monastery or the high place of Sacrifice. Lunch is not included today.

Tonight you will have dinner and a pre-ride meeting with your guide ahead of your ride.

Overnight at the hotel in Petra.

Day 3 — 3: PETRA – WADI THUGRA - 5-6 hours riding

 Jordan Camp

Today you will be transferred to the starting point of the ride. You will start your riding adventure in the mountains with great views over Petra. The first 3 hours of riding take you to an area with natural springs and tree gardens with amazing views over Petra and Wadi Araba.

After lunch you continue for another 2.5 hours via Dilagha viewpoint, before making your way down into Wadi Thugra where camp is set up for a night under the stars...

Overnight camping.

Day 4 — 4: WADI THUGRA – WADI RUM - 4-5 hours riding

 Jordan Camp

After breakfast and helping with camp chores, it's time to saddle up and ride! Today you will ride via a small Bedouin village and slowly but surely, the mountainous scenery turns into a desert landscape. You ride until you reach one of the only shaded places in the area where you can stop for lunch.

After lunch, you ride towards the village of Humayma, where you lead the horses across the Desert Highway into the northern part of Wadi Rum, the Kharaza area.

It's another two hours before you reach your camp location; a beautiful U-shaped rock formation and sandy area where the horses love to roll! It's the perfect spot to see the moon rise over the mountains and to see a beautiful sunrise the next morning.

Overnight camping.

Day 5 — 5: WADI RUM - 5-6 hours riding

 Jordan Camp

Your third day in the saddle in Jordan begins in a spectacular part of the desert, far away from the busy touristic areas. Today you will see natural rock bridges and other wondrous geologic features, as well as the famous Nabatean petroglyphs. There will be plenty of nice sandy roads for long canters before you stop for lunch.

Again there is time to relax, enjoy lunch, maybe take a little nap, take a few pictures and enjoy the scenery for your get back in the saddle. After lunch, you ride on endless sandy roads, perfect for good canters.

Overnight camping.

Day 6 — 6: WADI RUM - 5-6 hours riding

 Jordan Camp

You will ride via the mudflat today to Um Salab where you cross into the Protected Area of Wadi Rum!

You reach Um Ishrin via a beautiful canyon and stop for lunch there. The afternoon ride takes you to the highest sand dunes in Wadi Rum, via Lawrence house to Burdah Bridge where camp is set up tonight.

Overnight camping.

Day 7 — 7: WADI RUM - 5-6 hours riding

 Jordan Camp

This morning you will ride from Burdah Bridge to the back of Um Fruth Bridg. After an extended lunch break, you get back in the saddle for a further few hours from Um Fruth Bridge to the 5-kilometer long Barrah Canyon where you will camp tonight.

Overnight camping.

Day 8 — 8: WADI RUM - PETRA - 3-4 hours riding

Continue your equestrian holiday and trail ride today through Barrah canyon and from there towards and through Siq Um Foos and Siq Um Atawak.

After lunch you ride via the mud flat, where you can enjoy another good canter. T his afternoon you will sadly have to say goodbye to your horse and to the team before you are transferred back to Petra for a well-deserved hot shower!

Overnight at the hotel in Petra.

Day 9 — 9: PETRA - DEAD SEA - MADABA

You'll take an early morning transfer to the Dead Sea (approximately a 3-hour drive). You will spend the afternoon at a 4* or 5* resort (depending on availability), where you have access to the beach, the pools and other facilities including a buffet lunch (drinks are not included).

In the late afternoon, you'll transfer to your hotel in Madaba via the scenic Mt. Nebo. Dinner is to your own account today.

Overnight at the hotel in Madaba.

(Those who wish to depart tonight can take a late evening flight or a flight departing during the night).

Day 10 — 10: DEPARTURE

After breakfast, you will be transferred to Amman airport in time for your flight home.

Price details

- Flights or transportation to your destination (Amman) are not included, but can be booked on request - please contact us for rates.
 - Rates are per person, based on two riders sharing a twin or double room/tent during your holiday.
 - Groups are composed of a minimum of 3 riders and a maximum of 10 international riders, plus guides.
 - Transfers are included and you can arrive and depart any time during the day. Transfers arriving after midnight however will be charged at \$50 per person (paid locally, in cash)
 - If you sign up to the ride as a solo rider and there are no other riders likely to share your room, you will be charged a single supplement of \$150 / £115 / €130. You will then be reimbursed if a sharer is found for you at a later date.
 - Rider weight limit: 85 kilos, 187 lbs, 13.3 st. This is a strict limit as the horses are small.
 - Please note: You will need to buy and print a Jordan Pass before departure – your visa fee will be waived upon arrival (www.jordanpass.jo) and your 1-day entry ticket to Petra and entry to Wadi Rum are included in the price of 70 JOD.
- Please Note
- The itinerary may be modified at anytime for security reasons, meteorological or events beyond our control such as blocked roads, rivers in flood, drought, strikes and local holidays. Equus Journeys, our local partners and their local guides will always strive to find the best solution and will alter the itinerary as needed.
- The names of the hotels and accommodation are given for information only and depending on availability, they may be modified without notice and replaced by another of a similar standard.

Price includes

Extra night in Amman / Madaba : contact us

EXTRA

Extra trips and guided visit of Jerash and Ajloun : contact us

EQUESTRIAN INFO

Horses

Different breeds are used on our Petra and Wadi Rum trails: local horses, Arabs, Anglo Arabs and thoroughbreds; they are not very tall but they are extremely strong and perfectly fit to work in the desert. There are horses for very experienced riders and more relaxed horses for intermediate riders.

There is a strict weight limit of 85kgs/187lbs/13st4lbs with your riding gear as the horses are light-framed and small in stature.

Guide & local team

Your guide is Eid. He was born and raised in Wadi Musa and as a young boy started working in Petra with his family horse bringing tourists from the entrance to the Treasury. For almost 20 years he's been guiding horse tours from Petra to Wadi Rum. His family has always lived in this area and he knows the mountains around Petra extremely well.

Minimum riding ability

MINIMUM RIDING ABILITY

You need to be a strong intermediate or competent rider and able to control your horse at all paces in open spaces. You should be able to canter in forward seat and be balanced with good hands.

Rider weight limit: 85 kilos, 187 lbs, 13.3 st. This is a strict limit as the horses are small and thin.

PACE

The pace varies depending on the terrain. There are plenty of opportunities for long trots and canters when the terrain is suitable. There are also long stretches of walking when the ground is soft sand or rocky. Canter is in single file and gallops are done individually.

It is important that you can keep up with the group and maintain the same speed as your guide. The ground is varied to include deep sand, hard sand and rocks - it is trickier than it looks and your guide will know the best path to take.

TACKING ABILITY AND PARTICIPATION

Horses are groomed and tacked up for you. You are also expected to help with camp tasks such as putting up tents or watering and feeding the horses. Help is on hand if required.

TRIP CONDITIONS AND REQUESTED EXPERIENCE

This trail is for confident and experienced riders. You will need to be fit enough for long canter in sometimes hot conditions. The camping is also basic and so you need to be prepared to live without home comforts for a few days.

Having previous experience of riding a trail of several days would be an advantage but it is not compulsory. Guests who do not ride regularly are requested to get fit prior to the ride. It is of particular importance to ensure you are comfortable and balanced when riding at speed across rough terrain and open spaces.

This trip is vehicle-supported. The jeep takes your luggage from camp to camp and that will be available at every lunch and dinner/camping stop.

Visiting a new country offers the opportunity to meet other cultures with different mentalities, therefore it is important to accept these differences and respect the local way of life.

EQUESTRIAN EQUIPMENT

All saddles are English style and every horse has a bit and English style bridle according to its temperament. Saddle bags are not provided but the saddle pads have pockets for a water bottle and small items such as a camera and small sun cream.

Equus Journeys recommends that our riders wear a helmet to the correct standard and you should bring your own to ensure a proper fit. Helmets are not provided on this ride.

TRAVEL INFO

COMFORT

- You'll spend two nights in a hotel in Madaba and two nights in a hotel in Petra. Hotels are 3* (local standard) with twin or double rooms.
- During the trail, you'll camp in tents (five nights). Camp is set up in a different location each night, carefully selected for the season and the beautiful landscape. Tents are two-person and normally shared between two riders. You can book a single tent for additional fee (subject to availability). You can also sleep outside under the stars if it's not too cold.
- Please note that you'll need to put up and take down your own tent. Foam mattresses are provided but you need to bring your own sleeping bag. There are no showers or toilet facilities but the team are happy to heat a small bucket of water for you to wash with - however, please note water supplies in the desert are limited!

MEALS

Meals on the ride are prepared by your camp chef and showcase delicious Jordanian and Arabic specialities every day. Tea is served at every break and water and soft drinks are available at all times in the cool box.

Alcohol is not provided and is not consumed by your guiding team but it is usually available in the hotels and so you can buy it if you wish. Bringing alcohol to the ride in the desert is not recommended for cultural reasons.

Vegetarian diets can be accommodated with prior notice.

CLIMATE

Jordan has a desert climate, with predominantly hot temperatures and little rain, but there are some seasonal and regional differences. Winter is short and usually December - February. At this time there can be rain and some cold winds. Temperatures can hover around 7c but there can be some pleasantly warm days too.

Petra:

Situated in the mountains, the winters can be cold - c. 14c during the day, dropping to zero at night. There have even been reports of snow in Petra. In Spring and Autumn the temperatures are more pleasant, with daytimes 24-27c and nights 10-12c. Summer can be very hot (35c).

Wadi Rum:

Winter can be cold, with daytime temperatures of 13-14c and nights of minus 1. Spring and Autumn temperatures are usually 24-27c during the day, dropping to 10-12c at night. The summers are very hot (40c) and there is no riding.

TIPS

It is customary to tip the local team and we would recommend c. £40 for the week, but you must give what you feel is appropriate. Tips are accepted in Euro, Jordanian dinar or US dollar.

PACKING LIST

Please pack carefully and sensibly: the following guide is here to give you an idea of what to bring. When packing, please use a soft sided case/bag which can easily be transported. Your luggage will be carried in a support vehicle, which will meet you at lunch and dinner/camping spots. Saddle bags are not provided on this ride but the saddle pads have pockets for you to carry small items such as a water bottle, camera and small sun cream. We recommend that you take a small bag for any bigger things you may need during the day (such as a book) so you can easily access them during the long lunch breaks.

Head

- Equus Journeys strongly recommend that you wear a riding helmet and that you take your own to ensure a correct fit.
- Sunhat for when not riding
- Sunglasses - with a cord attached so they don't fly off when riding
- Buff or bandana

Upper body

- Long sleeved shirts provide protection from the sun and dust
- T-shirts
- Fleece, jumper or jacket - the evenings can be cold
- Waterproof jacket - the rains can be difficult to foresee and it's better to be prepared. Layering is key to cope with the fluctuations in temperature between day and night
- Casual clothes for the evening

Legs

- Lightweight, comfortable riding trousers or jodhpurs - we recommend riding in them at home before taking them on holiday to ensure they don't rub
- Shorts for lazy lunchtimes
- Casual clothes for the evening

Hands and Feet

- Comfortable riding boots. We recommend short boots with half chaps as long chaps/long boots can get very hot.
- Sandals, flip-flops or trainers for moving around the camp
- Gloves - your hands are particularly exposed to the sun whilst riding

Nightwear

- Thermals are a good option for sleeping in, or a t-shirt and shorts for warmer nights
- A woolly hat when camping (desert nights can be cold)
- Sleeping bag - we recommend a comfort factor of 2-5c (Oct-Nov and Feb-April) and minus 5 - minus 8 for Dec/Jan. We also recommend taking a silk or fleece liner for an extra layer

Other useful items

- Swimsuit for the Dead Sea
- Towel. Camping towels will pack lighter and dry more easily
- Sarong (for going to/from the shower tent)
- Water bottle(s) - max size 1 litre
- Hand sanitiser
- Wet wipes (showers aren't possible)
- Camera and high capacity memory card. Spare battery
- Bumbag for carrying your camera and small items whilst riding
- Headtorch or small torch for moving around camp at night
- Toilet paper and small plastic bags for taking rubbish away

In your luggage

- Any liquids, such as shampoo, moisturiser, deodorant unless they are less than 100ml and all bottles can fit in a small, clear, plastic ziplock bag.
- Small penknife

In your hand luggage

- Any valuables, such as your camera, ipod, ipad etc.
- Your riding hat

Medical kit

- Sunscreen and lip balm - must be high factor
- Insect repellent
- Any medication you regularly take
- Blister plasters in case of any rubs
- Antiseptic cream, plasters, aspirin, anti-histamine, insect-bite salve etc...
- Rehydration sachets (dioralyte or similar)
- Spare prescription glasses/contact lenses
- Ear plugs, particularly if you are a light sleeper

Other recommendations

- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!
- Please print copies of your passport and insurance documents and take them with you.
- Backpacks should not be worn whilst riding.

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.

For more information please [see this page](#) .
