On arrival at Johannesburg airport you will need to connect onto your onward flight to Vilanculos. Again we can book this flight for you on request.

After a short transfer from the airport, you will be settled into your accommodation for the week. Later in the afternoon you will have an opportunity to meet the horses and staff at the stables. You will be presented with a number of horses to try at the riding school. Once you feel comfortable, you will head out onto the beach for a slow and relaxing ride, allowing you to become familiar with your horse and the equipment. This ride incorporates all the wonderful eco-systems in the archipelago; wide open beaches, incredible cliff top views, pristine dune bush and mangrove shoreline. In the evening a fresh seafood dinner will be

served under the stars overlooking the sea.

IMPORTANT: the following itinerary is just an example - the actual itinerary is flexible and will depend on your preferences.

Day 3 — 3 : VILANCULOS - 3 hours riding

 Sea Horse Beach House

Today you ride inland on trails skirting African villages and vast natural freshwater lakes. The birdlife is fantastic and there is a good chance of seeing eagles, herons, harriers, rollers, pelicans and kingfishers. There should be opportunities to canter along bush paths through African farmlands and past the ruins of old Portuguese homesteads. Back on the beach for the final stretch, you will pass Chibuene - a key trading post from as far back as the 7th century that connected the southern African interior and the Indian Ocean. This ancient dune is covered in baobabs planted centuries before for their vitamin rich fruit - creme of tartar. In the evening, enjoy a quiet drink and watch the stars light up an African sky as you sit around a bonfire for a mouthwatering Mozambican BBQ.

Day 4 — 4 : VILANCULOS - 1-2 hours riding

 Sea Horse Beach House

An early morning ride follows the beach northwards passing through the outskirts of town into a wide open bay, home to a myriad of colorful dhows. The ride continues through the bay, cantering along the beach and watching local fisherman make their way home. The ride ends with a delicious buffet breakfast at Casa Rex. After breakfast, you are met by a local guide who will accompany you through the bustling and vibrant city market. The colourful displays and cacophony of noise give you an insight into the lives of the local people. Later make your way back to your resort where you can siesta through the afternoon heat or relax at the pool. Alternatively you could enjoy a free day scuba diving, kiteboarding or deep sea fishing at an additional cost. A delicious lunch and dinner will be provided at your resort.

Day 5 — 5 : BENGUERRA ISLAND - 3-4 hours riding

 Sea Horse Beach House

Depending on tide times an early start from your hotel sees you on a motorized dhow to whisk you through the Bazaruto National Park to Benguerra Island. A packed breakfast is served on board while you take in the sea views and look for dolphins, turtles and rays. There are horses living on Benguerra Island and the landscape of massive sand dunes, freshwater lakes and white sandy beaches makes for a breathtaking ride. The varied ecosystem offers exceptional birding with large flocks of flamingo often seen. After your ride, a mouth-watering seafood lunch prepared by the boat captain will be served on board as you island hop by sail to Margaruque. Mask, fins and snorkels are provided and you are encouraged to enjoy some of the world's finest drift snorkelling along a vertical rock drop off. Return to Vilanculos as the sun sets over the ocean for dinner at a local restaurant.

Day 6 — 6 : FISHING VILLAGE - 2 hours riding

 Sea Horse Beach House

After a relaxing breakfast and morning swim the ride begins at 11.30 am. Today's ride takes you through coconut plantations and along the beach to Enrique's Fishing Village. The local chief entertains you in true Mozambican style, setting up a table with traditional food. Start off with a refreshing coconut drink before being shown how to eat fresh crab and taste Matapa, a traditional Mozambique dish made from cassava leaves, nuts and coconut milk. After lunch you continue riding through the village and head onto the "Fingerprint of God"; a magnificent viewpoint overlooking the archipelago. A wonderful day's ride experiencing traditional African culture. In the evening you are driven into town to have dinner at one of the many restaurants.

Day 7 — 7 : BUSH AND BEACH - 3-4 hours riding

 Sea Horse Beach House

After a hearty breakfast served at your hotel, set out on your ride following the old coastal main road running parallel to the beach before meandering up and wading across a small river estuary. Along the route you pass through small rural villages where young children will come to wave at the horses. As the local population thins out there are long safe canters through coastal bush. After several hours in the saddle, a bush track through woodlands leads you down on to the beach with amazing views over the bay. The long, deserted, sandy beaches offer a chance to experience dream-like canters on your way back to the stables. After a long day in the saddle, there is a chance for sundowners and a fine dinner at a local restaurant.

Day 8 — 8 : RED DUNES - 3-4 hours riding

 Sea Horse Beach House

After another delicious breakfast you will be driven over to the stables to mount up and set off on an exhilarating ride through the outskirts of town and along deserted sand beaches to the Red Dunes on North Beach. There are ample opportunities for controlled canters on the wide open beaches before climbing the giant red coastal dunes. The panoramic views of the white sandbars and turquoise seas below are spectacular and one of the

special highlights of this holiday. Lunch will be served at a gorgeous beachside restaurant overflowing with seafood specialties. After lunch you will stop at an arts and crafts centre that supports the local community. Relax by the pool in the late afternoon or take a stroll on the beach. Dinner will be served in tranquil settings as you savour and toast your final night.

Day 9 — 9 : VILANCULOS - JOHANNESBURG - 1.5 hours riding

After a relaxed breakfast take a short morning farewell ride up the coastline. The views over the bay and long stretches of unspoilt beach will be a memory that you never forget. You finish off your safari with the world renowned swim - to see horses wallowing and rolling in the sea is a once in a lifetime opportunity and truly magical experience. Time for one more lunch before you bid farewell to Vilanculos in preparation for your onward journey. Please note that if the tide is out on your final morning, you will do the swim on another day.

You will be transferred to Vilanculos airport in time for your flight to Johannesburg and connecting flight back home.

Day 10 — 10 : EUROPE

Horses

The horses are responsive, alert, tough and fit. The herd comprises of Thoroughbreds, Arabs and the South African Boerperds. Many of them were rescued from Zimbabwe by your hosts and guides, and are the subject of a book - One Hundred and Four Horses. There are currently a total of 39 horses, including a small herd of prize-winning SA Boerperds acquired in 2018. The local team keep 6 geldings on Benguerra Island. All are schooled to a very high level and react easily and lightly to the aids. Your hosts Pat and Mandy attach utmost importance to their health and well-being.

Guide & local team

Pat and Mandy have fled their home in Zimbabwe, saving their horses from land invasions. They are experienced guides and horsemen and have built themselves an excellent reputation as hosts. They are passionate about their horses and look after them extremely well. Pat and Mandy will lead each ride, and always spend time with their guests sharing stories and experiences with them.

"One Hundred and Four Horses": The book "One Hundred and Four Horses" tells the story of Pat and Mandy Retzlaff and how they fled war-torn Zimbabwe with the horses they refused to leave behind. Eventually they reached Mozambique and set up home on the beautiful sandy beaches around Vilanculos. Vegetarians can be catered for with advance notice. There are limitations when it comes to vegan and gluten free diets as the safari is quite remote with limited access to special products.

CLIMATE

- Dry season: from April to mid-October, temperatures between 15° and 25°. This is the cooler, drier season: short and t-shirt weather! You may need a jacket in the mornings and evenings.

- Wet season: from November to March, with hot temperatures (25-30°+ during the day). This is the hotter, wetter season, when brief but vigorous downpours before the sun starts shining again. It seldom rains enough to spoil the riding fun though.

- Hand sanitiser
- Camera and high capacity memory card. Spare battery
- Bumbag for carrying your camera and small items whilst riding

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
