## **TRAVEL INFO**

### **COMFORT**

The lodge is one of the highlights of this trip - a charming lodge in the middle of the Atlas mountains - perfect for a change of scenery and a restful holiday.

- Simple lodge (64m<sup>2</sup>): 1 bedroom, a living room (with sofa bed if required), bathroom and private terrace.

- Double room (75m<sup>2</sup>): 2 bedrooms, a living room (with sofa bed if required), 2 bathrooms and private terrace.

The meals will be Moroccan with some European influences: usually a cold lunch of salads, breads and fruit and a hot dinner comprising soup followed by tajine and dessert.

Accommodation in Berber tents is also possible. The tents are spacious and comfortable, although the bathrooms/toilets are shared.

### **MEALS**

Moroccan cuisine with some European influences. Lunch is usually light and served cold - salads etc, whereas dinner is usually three courses and served hot - soup, tajines and dessert.

Special diets can be accommodated, however please note that some foods can be difficult to find in Morocco. Certain diets may incur a supplement (gluten-free diets can be accommodated at a supplementary charge of €100/£90/\$110 for instance, if you require specific gluten-free supplements). All dietary requirements must be specified at the time of booking.

### **CLIMATE**

Marrakech has a Mediterranean climate with hot summers and cooler winters. The sky is usually clear blue.

In winter the mornings are fresh but temperatures have climbed to c. 20c by midday and then fall quickly as the sun sets. The evenings are cold and you will feel the difference, dropping to c. 6c

The best seasons to visit the city are Spring and Autumn when the temperatures are pleasant all day. Midday temperatures are c. 22-25c.

In summer the early mornings and evenings are pleasant but it can reach 40c by midday and the afternoons can feel hot and stuffy.

### **TIPS**

It is customary to tip the local team as a gesture of thanks and we would recommend c. £30 for the week, but you should give what you feel is right.

## PACKING LIST

### Head

- Equus Journeys strongly recommend that you wear a riding helmet and that you take your own to ensure a correct fit.
- Sunhat for when not riding
- Sunglasses - with a cord attached so they don't fly off when riding
- Buff or bandana

### Upper body

- Long sleeved shirts provide protection from the sun and dust
- T-shirts
- Fleece, jumper or jacket - the evenings can be cold
- Waterproof jacket - the rains can be difficult to foresee and it's better to be prepared. Layering is key to cope with the fluctuations in temperature between day and night
- Casual clothes for the evening

### Legs

- Lightweight, comfortable riding trousers or jodhpurs - we recommend riding in them at home before taking them on holiday to ensure they don't rub
- Shorts for lazy lunchtimes
- Casual clothes for the evening

### Hands and Feet

- Comfortable riding boots. We recommend short boots with half chaps as long chaps/long boots can get very hot.
- Sandals, flip-flops or trainers for when not riding
- Gloves - your hands are particularly exposed to the sun whilst riding

### Nightwear

### Our Recommendations

- Please don't take a hard sided suitcase if possible as a soft sided one is easier for the team to handle.
- Take a second, smaller bag to pack things you may need during the day such as a book or sunscreen
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!

### Other useful items

- Swimsuit
- Towel. Camping towels will pack lighter and dry more easily
- Sarong (for going to/from the shower)
- Water bottle (1.5 litre or two x 1 litre)
- Camera and high capacity memory card. Spare battery
- Bumbag for carrying your camera and small items whilst riding
- Headtorch or small torch for moving around at night

### In your luggage

- Any liquids, such as shampoo, moisturiser, deodorant unless they are less than 100ml and all bottles can fit in a small, clear, plastic ziplock bag.

- Your riding hat

### Medical kit

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
