## Day 1 — 1: Fly to Cork or Shannon- Killarney

 Foleys Townhouse Guesthouse

You can fly to either Cork or Shannon Airport. You will need to transfer by bus from the airport to Killarney (approx 2 hrs 30 from Cork and 2 hrs from Shannon, you may also transfer by train if the train times allow). This transfer is not included and at your own cost, but we are happy to help organise this.

You will be collected from the bus or train station and taken to the Killarney riding stables to meet with your hosts. You will discuss your previous riding experience and be briefed on the general trail ride information. You will then be taken from the stables to your overnight accommodation in the Killarney area.

## Day 2 — 2: Seefinn Mountain - Lake Caragh - Glenbeigh - 4 - 4.5 hours

 Towers Hotel

You will be collected from the accommodation after breakfast at around 10:00 am (you should be in your riding gear with your luggage ready to go with you). A short transfer to the base of Seefinn Mountain where the trail begins, you will be allocated your horse. You will then ride over the Windy Gap with views over the splendour of Caragh Lake and the valley beyond. Ride to Coomasaharn Lake which is enclosed by Horseshoe Mountain followed by a scenic ride over an Irish bog, finishing for the day at stables in Mountain Stage.

Sunday and Monday nights are spent in the quaint village of Glenbeigh. The village is almost surrounded by mountains, and the area is famous for its friendly people and their humour. The scenery is breath-taking, with the River Behy and Rossbeigh Strand close by. The area is full of history and Winns Folly Castle is well worth a visit.

### Day 3 — 3: Rossbeigh Beach - Glenbeigh - 4 - 4.5 hours

 Towers Hotel

After breakfast you will be driven back to the stables to begin today's ride. The day is spent on Rossbeigh beach, galloping along stretches of beautiful golden sand. Pass by a light house built more than a century ago which guides ships entering Castlemaine Harbour. You will have a great view of the panorama of Dingle and the Iveragh Penninsulas to the North and South. You will stop for a picnic lunch on the beach before enjoying more riding along the long stretches of sand. Return from the beach via the Cliff Road.

### Day 4 — 4: Kells Station - Waterville - 4 - 4.5 hours

After breakfast you will be collected from your accommodation and taken to the stables, your luggage will be transferred onto Waterville - which is your stop for both Tuesday and Wednesday nights. This coastal village nestles on a narrow strip of land between Lough Currane and Atlantic Ocean, in the very centre of south-west Kerry. A morning ride takes horse and rider from Kells Station through the bogs of Cnoc Bawn and on to Liss Bawn, taking in some spectacular views of Caherciveen and its surrounds.

A picnic lunch is served alongside a forest. After lunch continue on through Island Boy and the Inny Valley, finishing for the day alongside the Tulligane Woods.

Accommodation at the Golf Link, Butler Arms or similar.

### Day 5 — 5: Tulligane Forest - Inny Valley - Waterville - 4 - 4.5 hours

Depart on Wednesday morning from the Old School House for a forestry ride, leaving the Inny Valley behind and crossing over to Derriana, to take the old road to Cahersavane. Lunch, with views over Lough Currane. Afterwards continue a scenic ride into Waterville.

Accommodation at the Golf Link, Butler Arms or similar.

### Day 6 — 6: Waterville - Killarney - 4 - 4.5 hours

 Foleys Townhouse Guesthouse

Your final day begins with either a brisk ride to Waterville Beach spending the morning enjoying some exciting gallops or a trip around the panorama of Hoggs Head and Ballinskelligs Bay (the tide dictates which way around this done). After the ride, bid farewell to your horses before being transferred back to Killarney to overnight.

### Day 7 — 7: Departure

You will be transferred to the bus station in Killarney for your bus or train back to Cork or Shannon Airport. A late afternoon flight is advised.

## SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
