## Day 2 — 2 : DRESSAGE INSTRUCTION - Programme riding hours vary

---

After breakfast, Fernando will be waiting to collect you from the hotel and drive you to the hacienda where your dressage training will begin.

Your day's lesson will depend upon your chosen programme (to be specified when booking):

- Intensive Training: a group dressage lesson allows your instructor to evaluate your level and your experience and identify areas that need to be worked on. After a short break, you will have your first lunging session. Lessons are in groups of up to 4 riders (max.).
- Classical dressage training: You will have a semi-private lesson (2 riders), then after a short break you will change to a new mount for a private lesson. This will then be followed by doing some groundwork or a lunge lesson - great for improving your seat, balance and posture.

All the riders will come together to have a traditional Andalusian lunch, courtesy of the resident cook, and in the afternoon you will have 'free-time'.

After each lesson you can take time to relax in the garden, by the pool, or in the comfortable lounge area. You will also be very welcome to watch the horse training taking place in the yard daily - Vivi, the trainer will be happy to answer any of your questions!

At the end of the afternoon, after the final lesson, you will be transferred back to your hotel in Carmona. You are free to eat at any of the restaurants in town, or even to use room-service if you are tired! Dinner is payable locally.

## EQUESTRIAN INFO

### Horses

---

A stable of 60 horses of all levels. Most are Pure Bred Spanish horses and some Anglo-Arabians, Lusitanos and other breeds. Instructors will match you to the horse that suits you best depending on your level, your approach and your temperament.

### Guide & local team

---

Fernando runs the courses at the centre and he will come to collect you in the mornings to drive you to the hacienda for your lessons.

Viviane and Catalina, his daughters, are accomplished dressage riders and will be your instructors throughout your stay. All Epona instructors are qualified by the British Horse Society, Association of British Riding Schools and the Spanish Equestrian Federation which means that they are trained to always have the horse and rider's safety at heart. Viviane studied at the renowned Andalusian school in Jerez. Both Viviane and Catalina speak English and Spanish.

They also train their dressage horses themselves and are happy to answer any of your questions during the daily training sessions!

### Minimum riding ability

---

#### MINIMUM RIDING ABILITY

---

A prior knowledge of dressage is essential to get the most out of these lessons. Equally important is the openness to learn new ways of doing things. The goal at Epona is that you see a huge improvement in your riding but also have fun. You must be competent at walk, trot and canter.

Rider weight limit: 85kgs (intensive) or 80kgs (high school). Riders over the limit please contact us.

#### PACE

---

Please see below the breakdown of each programme.

"Intensive programme": eight small-group lessons and two lunge lessons. The lessons are split between morning and afternoon.

"High School programme": five semi-private lessons, five private lessons (including one with Rafael), two lunge lessons, and two in-hand sessions. Most of the riding activities will take place in the morning.

#### TACKING ABILITY AND PARTICIPATION

---

The grooms will tack and untack your horse. However, you are welcome to assist in untacking and washing of the horses.

#### TRIP CONDITIONS AND REQUESTED EXPERIENCE

---

There are no requirements, but you must be in good physical condition and have a good basic knowledge of dressage to get the most out of the lessons.

Please note that schoolmasters are only available for those who book the "High School programme".

#### EQUESTRIAN EQUIPMENT

---

Dressage saddles and simple bridles or bits.

If necessary, the team also provides spurs and a whip.

Helmets are mandatory and there are some available locally for guests to borrow. Equus Journeys highly recommends that riders bring their own hats to ensure a proper fit.

### COMFORT

You will stay in a charming 4 star hotel in the heart of Carmona, in double or twin rooms. There are ensuite bathrooms and towels are provided. The hotel has a restaurant, a tapas bar and an Irish bar, as well as a swimming pool and patio areas. In the town of Carmona there are many restaurants to choose from - simple tapas to silver service - or you can choose to eat at the hotel or use their room service.

During the day, at the riding centre's hacienda, there is a swimming pool (towels will be provided), a relaxing lounge and outdoor seating areas. You will have lunch in their dining room each day.

Please note: Epona has good Wi-fi service, however at the hotel the connection is limited.

### MEALS

Breakfast is continental and dinner is had all together, buffet style, at the hacienda. Apart from the first evening where you will enjoy a buffet dinner with your host Fernando, dinners are not included. You may choose to eat in the restaurant at the hotel or in local restaurants.

### CLIMATE

Situated in southern Spain, not far from the African continent, Seville enjoys a Mediterranean climate. Being set inland from the sea, in the vast Guadalquivir plain, this allows for relatively mild and clement weather all year long.

The average yearly temperature is around 19.2 °C.

Seville's summers can be long and scorching with average temperatures often over 25 °C from May to October; with a record high of 46.6 °C. The temperatures peak between June and September with the temperature routinely reaching/ or topping 30 °C.

### TIPS

It is customary to leave a tip in restaurants in Spain. Around 10% of the bill is the standard, although it is often include – so do check. Tipping both in restaurants and to the team at the hacienda rests at your discretion.

We suggest two alternatives when you leave a tip. You can hand out the chosen amount personally to the staff member or members to whom you wish to show your appreciation, or you can put a general amount in an envelope and hand it to a member of the Garcia family (preferably Vivi), to be divided up equally, or according to your specifications, among the staff. Please do not give tips to be divided, to any members of staff, to avoid confusion and sometimes problems among the staff.

### PACKING LIST

**Please pack carefully and sensibly: the following guide is here to give you an idea of what to bring. This list must be adapted depending on the season and individual needs.**

In Spring, Autumn and especially in the summer months, it can get very hot, so to avoid feeling sweaty and sticky all the time, try to choose natural fabrics, especially cotton. Dress at Epona is very casual, even for the visits, jeans and T-shirts or a summery dress, are fine. For emergencies, at the hotel there is a laundry service.

#### Head

- Riding helmet
- Sunhat
- Sunglasses - with a cord attached so they don't fly off when riding

#### Upper Body

- Half or long-sleeved cotton shirts (to provide protection from the sun) or T-shirt in a quick-drying material
- A lightweight fleece or jumper
- Swimsuit
- If coming in winter, autumn or spring, a light shower jacket (the kind you can fold up into a little ball)

#### Legs

- 2 pairs of jodhpurs or riding trousers
- 1 pair of casual trousers (tracksuit bottoms, leggings or jeans)
- Cotton or synthetic underwear (non-irritant)

#### Hands and feet

- Short jodhpur boots and half chaps are the best option as they are much cooler and easier to transport, but if you are used to riding in your long boots and want to wear them it is fine.
- Lightweight shoes, sandals or trainers for the evenings
- Several pairs of socks
- Gloves

#### Medical kit

- Any medication you regularly take
- Sunscreen and lip balm - should be high factor
- Insect repellent, preferably containing deet
- Blister plasters in case of any rubs
- Antiseptic cream, plasters, aspirin, anti-histamine, insect-bite salve etc...
- Spare prescription glasses/contact lenses
- Eye drops
- Imodium or similar anti-diarrhoea medication
- Antiseptic wipes
- Handwash gel

#### Our Recommendations

- Backpacks cannot be worn whilst riding. We recommend a small bumbag or a coat with pockets so that you can carry small items with you during the day (passport, camera, sunscreen, lipbalm etc)
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!
- You should also bring a copy of your passport/insurance in case you lose your documents. You can also save a copy into your mobile phone.

## SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
