Day 1 — 1: FLORENCE- BARBERINO

On your arrival in Florence, you will travel to the region of Barberino Val d'Elsa. To reach Barberino Val d'Elsa, you can either hire a car or request a private transfer (30-45 minute drive).

You will have the chance to meet the team and your hosts at a welcome reception at the Il Paretaio equestrian centre and guest house at 7 pm.

Day 2 — 2: BARBERINO - 1 lesson

Agriturismo Il Paretaio

The training methods used at Il Paretaio are based on loosening your horse up and encouraging supple movements in order to achieve elasticity and

lightness when using aids. They follow the traditional principles of classical riding that are also practised by riders competing in modern dressage. Throughout your lessons, they will teach you to feel physically and emotionally connected to your horse.

Each dressage lesson consists of a maximum of 3 riders per instructor. Lessons in the morning are usually 50 minutes and those in the afternoon 40 minutes. In the summer - from June to September included, as it can be very hot, the length of the morning lessons will be shortened to 40 minutes

During your lesson, you will address exercises such as the shoulder-in, lateral movements, leg yield, counter canter and flying changes... The sessions will show you the importance of rhythm, impulsion and how to appropriately employ aids.

Lunch is not included but can be had at the farmhouse if you wish; on the menu you will find a variety of delicious traditional Tuscan pasta dishes and salads. After a busy day, you will be able to relax around the communal dining table and enjoy a hearty Italian dinner with Chianti wine. This is the time to share your experiences from the day!

In your leisure time, you can visit Florence and Siena, or the village of San Gimignano which are all easily accessible. There are buses that run from Barberino Val d'Elsa - although the journey by bus is a little longer than that by car, it does allow you to avoid traffic jams and parking problems.

Guide & local team

Your instructors, Giovanni and Cristina De Marchi, started their careers training at a prestigious school in Portugal under the tutelage of Pedro de Almeida and Maître Louis Valenca - who themselves were trained by the great Nuno Oliveira. They work to adapt their lessons to the needs of their riders, whether accomplished or beginner, so that each student ends their course feeling more confident and at ease in the saddle. In their teaching method, passion rhymes with pleasure!

Giovanni and Cristina were recently joined by their son, Pietro de Marchi. Pietro is a BHS accredited professional coach and rider in dressage, showjumping and eventing. Pietro teaches internationally and has been training in the UK for the last four years specializing in training young horses to event and has reported very good successes. He participated at Burghley and has qualified a young horse for Badminton. During his equestrian career, he has had the opportunity to train with many international riders, among which one of them has been with the Dressage master and four times Olympian and European medalist, Richard Davison.

TRAVEL INFO

COMFORT

The farmhouse consists of 8 double or family rooms with private bathrooms and 2 private family apartments.

It has original terracotta flooring, wooden beams, stone walls and traditional arched ceilings. There is a swimming pool that offers wonderful views of the Tuscan hills. Free wifi is available.

Tuscany is famous for its excellent cuisine and dinners are served with a good Chianti wine. The food is traditional Tuscan, created using fresh local ingredients and with the farmhouse's home-produced extra virgin olive oil. All guests eat together around one big dining table.

MEALS

Half-board accommodation (breakfast and big, hearty dinners)

Lunch will either be had at the guest house or you will be free to make your own plans. You are able to eat at the guest house and pay locally for meals not included in the trip's price, or if you have hired a car you can explore what's on offer in the surrounding villages and towns.

CLIMATE

Tuscany has a Mediterranean climate with hot summers, cold winters and a rainy season from the start of autumn to the beginning of winter. The months that are the most humid are October and December - often seeing heavy rain that can last for several days.

However, autumn and in spring, it is still likely that it will be hot during the day, with a lot of sunny days. July and August are the hottest and driest months.

TIPS

Tipping is not obligatory; however one can be made to the local team at your discretion.

PACKING LIST

Please pack carefully and sensibly: the following guide is here to give you an idea of what to bring. This list must be adapted depending on the season and individual needs.

Head

- Helmet
- Sunhat
- Sunglasses

Upper Body

- Half or long-sleeved cotton shirts (to provide protection from the sun) or T-shirt in a quick-drying material
- A lightweight fleece or jumper
- Swimsuit
- If coming in winter, autumn or spring, a light shower jacket (the kind you can fold up into a little ball)

Legs

- 2 pairs of jodhpurs or riding trousers
- 1 pair of casual trousers (tracksuit bottoms, leggings or jeans)
- Cotton or synthetic underwear (non-irritant)

Hands and feet

- Short jodhpur boots and half chaps are the best option as they are much cooler and easier to transport, but if you are used to riding in your long boots and want to wear them it is fine.
- Lightweight shoes, sandals or trainers for the evenings
- Several pairs of socks
- Gloves

Medical kit

- Any medication you regularly take
- Sunscreen and lip balm - should be high factor
- Insect repellent, preferably containing deet
- Blister plasters in case of any rubs
- Antiseptic cream, plasters, aspirin, anti-histamine, insect-bite salve etc...
- Spare prescription glasses/contact lenses
- Eye drops
- Imodium or similar anti-diarrhoea medication
- Antiseptic wipes
- Handwash gel

Our Recommendations

- Backpacks cannot be worn whilst riding. We recommend a small bumbag or a coat with pockets so that you can carry small items with you during the day (passport, camera, sunscreen, lipbalm etc)
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!
- You should also bring a copy of your passport/insurance in case you lose your documents. You can also save a copy into your mobile phone.

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
