ITINERARY

Highlights

- Visit the most beautiful areas of the Moroccan Sahara, far from the beaten track
- Plenty of opportunities for fast canters and gallops across wide open spaces
- The comfort of nights spent in desert inns or guesthouses with showers possible every night
- Discover Morocco in all its splendour including Dades Valley and impressive views of the Atlas mountains

Day 1 — 1: ARRIVE IN OUARZAZATE - No riding

Fly to Ouarzazate or Marrakesh.

If flying to Marrakesh then you need to arrive before 3pm to join the group transfer (approx. a 4-hour drive), which is payable locally and split between all who are sharing the transfer.

Dinner and overnight at the hotel.

Day 2 — 2: OUARZAZATE - IMI N'CHAABTE - TAFRAOUT - 2-3 hours riding

Meet in your hotel reception at 07:00 and transfer in the direction of Zagora through the Draa valley, until reaching Tansikht. Continue along the Djebel Sagho, passing through Nkob and Tazzarine and stop for a picnic along the way. After about 6 hours drive you turn off the tar road and follow a track for 60kms to Mcissi. It's a long transfer, with limited facilities along the way, so make sure to bring some snacks!

Here you will meet the team and horses. After a short riding assessment you will set out into the desert for your first ride amongst the dunes.

Overnight in a comfortable inn.

Day 3 — 3: TAFRAOUT - FOUM MHARECH - 4-6 hours riding

 Riad Nomad

Ride through the village of Tfraout and reach the plateau of Ahbouche Ntkouyte (Lake Tfraout). The terrain is perfect for some decent canters. Ride along the base of Tattihate, between Djbel Mohre and Djbel Zireg. The scenic splendour of the Sahara desert is laid out before you - endless dunes alternating with distant cliffs.

At the end of the day you reach a beautiful inn in the desert valley of Mharech where you spend the night. The inn is located over a hill with stunning views over the valley.

Day 4 — 4: FOUM MHARECH - REMLIA DUNES - OUZINA DUNES - 4-6 hours riding

 Inn Ouzina Rimal

Set off riding south, through the Tamarisk trees and sand dunes. Your journey takes you across the Chouiref plateau to Tizi n Guidou pass and on to the abandoned village of N'Oubahlou. The orange dunes of Remlia provide a spectacular background for pictures before you ride down to another vast plateau where horses and riders alike will enjoy a gallop. Keeping the mountains and "Mount Tajine" to your left, the ride alternates between long stretches of walk, trots and controlled canters before you reach your inn for the night.

Day 5 — 5: OUZINA DUNES - JDAID - 4-5 hours riding

 Inn Itrane Sahara

Depart on horseback through the superb dunes at Ouzina. Your trail will take you from the dunes and onto plateaus - from sand to rocky mountain. Your day in the Sahara ends at the village of Tagmaoucht-n-Jdaid - a place of water.

Day 6 — 6: JDAID - MERZOUGA - 5 hours riding

In the morning, you will ride through various environments until reaching the highest sand dunes in Morocco: Erg Chebbi. Enjoy stunning views while your horses carry you safely through the large seas of dunes. Night in the desert.

Day 7 — 7: MERZOUGA - OUARZAZATE - 3 hours riding

Your final morning on horseback takes you from Chebbi Erg to Taouz where you say goodbye to the team and horses. You are then transferred in the direction of Erfoud, Boumlane and Dades along the "road of a thousand kasbahs" until reaching Ouarzazate.

Dinner and overnight in a hotel.

Day 8 — 8: DEPARTURE FROM OUARZAZATE

After breakfast you will be transferred to the airport for your flight home.

If you are flying from Marrakesh, then please book a flight departing after 3pm so you may join the group transfer (approx. 4 hours, payable locally and split between the number of guests sharing the transfer).

EQUESTRIAN INFO

Horses

The horses are Barb or Barb Arabian and many are stallions. They are forward going but sensible and perfectly adapted to the desert landscape with big hearts, small feet and smooth paces. They are not particularly big and stand 14hh - 15.2hh.

Guide & local team

You will be guided by local Moroccan's who are familiar with the horses and the landscape. They will be accompanied by grooms. At least one of the guides will speak English but the grooms may only speak French and Arabic.

Minimum riding ability

MINIMUM RIDING ABILITY

You need to be a competent rider and able to control your horse at all paces in open spaces. You should be able to canter in forward seat and be balanced with good hands.

There is a rider weight limit of 90kg. Please also advise us if you are tall so that we can ensure a suitable horse is available.

PACE

The pace varies depending on the terrain. There are plenty of opportunities for long trots and canters and when the terrain is suitable there may also be occasions to gallop. There are also long stretches of walking when the ground is soft sand or rocky.

Please note that the canters will be single file in places, particularly at the start of the ride, but it may be possible to spread out on some canters later in the week, depending on the abilities of the group.

TACKING ABILITY AND PARTICIPATION

You will be expected to groom, saddle and un-tack your horse. You can also assist with feeding and watering the horses if you wish.

TRIP CONDITIONS AND REQUESTED EXPERIENCE

You need to be physically fit for the long hours in the saddle, sometimes at a fast pace. You should be prepared for cold nights, particularly in December and January.

Experience of riding a trail of several days would be an advantage but is not required. Riders who do not ride regularly should ensure they are back in the saddle and riding fit before departure. It is of particular importance to ensure you are comfortable and balanced when riding at speed across rough terrain and open spaces.

Visiting a new country offers the opportunity to meet other cultures with different mentalities, therefore it is important to accept these differences and respect the local way of life.

EQUESTRIAN EQUIPMENT

Forestier trail riding saddles and comfortable tack.

Saddlebags are provided.

We recommend our riders to wear a helmet to the correct standard and you should bring your own to ensure a proper fit.

TRAVEL INFO

COMFORT

You stay in comfortable desert hotels in twin or triple rooms with shared bathrooms. Showers are available every night.

In Ouarzazate you stay in a 4 star hotel.

MEALS

You will usually have a cold picnic-style lunch with delicious salads and a hot evening meal. Breakfast is continental and evening meals are typical Moroccan cuisine.

Water is provided on the trail - please bring your own bottle to fill in the mornings. Mint tea is also included. Some guesthouses will offer soft drinks at an extra cost. Alcohol is difficult to find in rural Morocco but is available at the hotel.

No drinks are included at the hotel in Ouarzazate (bottled water can be purchased from the restaurant)

Special diets can be accommodated, however please note that some foods can be difficult to find in Morocco. Certain diets may incur a supplement (gluten-free diets can be accommodated at a supplementary charge of €100/£90/\$110 for instance, if you require specific gluten-free supplements). All dietary requirements must be specified at the time of booking.

CLIMATE

In southern Morocco the rains are rare but not non-existent and in recent years the Sahara has experienced substantial rainfall.

In the Spring and Autumn months the temperatures are pleasantly warm. In October and April the temperatures can be 35c during the day, dropping to 20c at night whilst in November, February and March it is a little cooler (25c daytime and 12c night).

In the heart of the winter (December/January) the mornings and evenings can be cold, as low as minus 5c. At midday the temperatures will be 18-20c can drop rapidly once the sun sets.

In summer it is too hot to ride (45c) and so no desert trails run in the summer.

TIPS

It is customary, as a sign of thanks to tip the local team. We recommend a tip of €50/£45, but you should give what you feel comfortable with. We recommend giving the tips to your guide who can distribute them amongst all of the staff members.

PACKING LIST

Head

-Equus Journeys strongly recommend that you wear a riding helmet and that you take your own to ensure a correct fit.

-Sunhat for when not riding

-Sunglasses - with a cord attached so they don't fly off when riding

-Buff or bandana

Upper body

- Long sleeved shirts provide protection from the sun and dust
- T-shirts
- Fleece, jumper or jacket - the evenings can be cold
- Waterproof jacket - the rains can be difficult to foresee and it's better to be prepared. Layering is key to cope with the fluctuations in temperature between day and night
- Casual clothes for the evening

Legs

- Lightweight, comfortable riding trousers or jodhpurs - we recommend riding in them at home before taking them on holiday to ensure they don't rub
- Shorts for lazy lunchtimes
- Casual clothes for the evening

Hands and Feet

- Comfortable riding boots. We recommend short boots with half chaps as long chaps/long boots can get very hot.
- Sandals, flip-flops or trainers for moving around the camp
- Gloves - your hands are particularly exposed to the sun whilst riding

Nightwear

- Thermals are a good option for sleeping in, or a t-shirt and shorts for warmer nights
- You can also take a silk or fleece sleeping bag liner for extra comfort

Other useful items

- Swimsuit
- Water bottle (1.5 litre or two x 1 litre)
- Hand sanitiser
- Camera and high capacity memory card. Spare battery
- Bumbag for carrying your camera and small items whilst riding
- Toilet paper and small plastic bags for taking rubbish away

In your luggage

- Any liquids, such as shampoo, moisturiser, deodorant unless they are less than 100ml and all bottles can fit in a small, clear, plastic ziplock bag.
- Small penknife

In your hand luggage

- Any valuables, such as your camera, ipod, ipad etc.
- Your riding hat

Medical kit

- Sunscreen and lip balm - must be high factor
- Insect repellent
- Any medication you regularly take
- Blister plasters in case of any rubs
- Antiseptic cream, plasters, aspirin, anti-histamine, insect-bite salve etc...
- Rehydration sachets (dioralyte or similar)
- Spare prescription glasses/contact lenses
- Ear plugs, particularly if you are a light sleeper

Our Recommendations

- Please don't take a hard sided suitcase. Your luggage should be soft sided and you should pack it into two bags if it weighs more than 15kg so it's easier for the team to transport between camps
- Take a second, smaller bag to pack things you may need during the day such as a book or sunscreen then you can easily access it during the long lunch break
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!

SUSTAINABLE TOURISM

1. **Travel light** . It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).

2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
