Ride beautiful and calm Lusitano and Lusitano cross-bred horses

ITINERARY

Highlights

- Beautifully well-schooled Lusitano and Lusitano cross horses
- A linear trail so you end in a different place to where you began!
- The trail runs in both directions so you can choose whether to ride south to north or north to south
- The chance to canter/gallop down a deserted beach (please note that in September this may be at dawn)
- Convivial and friendly guide
- Comfortable and unique accommodation - converted farmhouses and quality hotels

Day 1 — 1: HOME - LISBON - MELIDES - No riding

 Vila Park

Your flight to Lisbon should arrive by 16:30 to allow time for you to collect your luggage. Flights are not included but we can book them for you on request.

At 17:30 you will be transferred south c. 135km to the town of Santo Andre, and the hotel where you will spend the night.

Have dinner with your guide and the rest of the group.

Day 2 — 2: BEACH RIDE - 5 hours riding

 Vila Park

Today you will meet your horse and ride towards the beach. In September, this ride will likely be at dawn to avoid the holiday makers on the beach. If everyone is comfortable and secure on their horses, then there is the possibility of a gallop or canter on the beach before reaching a lovely picnic spot

in the pine forest where your horses rest while you may swim in the sea and later have lunch.

Lunch is a picnic prepared with grilled meats or fish accompanied by salad, fresh bread and local wine.

After lunch, ride through the dunes and return to your hotel. Dinner is at a local restaurant.

NB. This ride also runs in reverse. Less confident riders are advised to choose the reverse itinerary where the beach ride is on the final day - this gives you the opportunity to get to know your horse before riding on the beach.

Day 3 — 3: SANTO ANDRE LAGOON - QUINTA DA MALMEDRA - 5 hours riding

 Quinta de Malmedra

Today you ride in the direction of Santiago do Cacém, past the Santo André Lagoon, where you may see flamingos and storks. Ride past the rice fields of the area, which in late summer prior to harvest are an astonishing colour of green. Stop for a picnic in the pine tree forest.

After lunch, continue riding towards the Quinta da Ortiga where you stable the horses for the night. A short transfer of takes you to your hotel, Quinta da Malmedra, where you have dinner and spend the night.

Day 4 — 4: CERCAL - 5 hours riding

Today you continue to ride southwards towards Cercal, always with the sea in sight. Climbing the mountain through the 'montados' you ride through one of the last unexploited regions of Portugal.

In the afternoon you arrive at your accommodation at Casas Verdemar. This is a beautifully renovated tavern with individual rooms and cottages around the gardens. There is a pool, fruit trees and plenty of places to relax and enjoy the countryside. Take your meals either on the veranda or inside in the dining room. Your hosts are Christine Nijhoff, a specialist in antiques restoration and Nuno Vilas Boas Lebreiro, artist and cook.

Day 5 — 5: CERCAL - VILA NOVA DE MILFONTES - 2,5 hours riding

Today you have a morning ride exploring the fields around the farm and trails into the mountains of Cercal.

The afternoon is free to visit the fishing village of Vila Nova de Milfontes which is a popular seaside resort in the summer months. There is time for shopping, sightseeing or relaxing on the beach.

Dinner and overnight at Casas Verdemar.

Day 6 — 6: CERCAL - CAMPILHAS - 5 hours riding

After breakfast you set off into the mountains of Cercal, close to the dam of Campilhas where you have lunch. The scenery is varied and interesting and after some trots and canters you return to Casas Verdemar. Relax and enjoy the quiet of a typical 'monte alentejano' after a dip in the pool.

Dinner and night at Casas Verdemar.

Day 7 — 7: CERCAL - NOSSA SENHORA DAS NEVES - 4-6 hours riding

For your last day's ride you continue exploring the mountains of Cercal. You will ride to the chapel of Nossa Senhora das Neves from where you have a splendid view of the surrounding area.

After lunch, you return to Casas Verdemar.

Farewell dinner and overnight at Casas Verdemar.

Day 8 — 8: LISBON - HOME - No riding

In the morning, you will be transferred to the airport for your return flight. Your flight should leave after 2pm.

If you decide to book an earlier flight, a private transfer can be organised (payable locally, please ask for price)

- Carry a copy of your passport and insurance documentation with you.

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
