## Day 1 — 1: Lisbon - Fronteira - No riding

 Monte Dos Aroeirais

Your flight to Lisbon should arrive by 4:30pm to allow time for you to collect your luggage.

You will be transferred north-east c. 200km to the town of Fronteira. For your first night you stay in a traditional farmhouse, Monte dos Aroeirais. This lovely historic accommodation has a very welcoming host who will introduce you to typical Portuguese cuisine.

You will have dinner with your guide and the rest of the group.

## Day 2 — 2: Fronteira - Monte dos Aroeirais - 4-6 hours riding

 Monte Dos Aroeirais

Meet your horses and ride in the area of Fronteira town. Your destination for today is Herdade Grande, where we will stop for lunch. The landscape consists of pine and cork trees, with scenic views and flowers and birds all around.

The day ends at Monte dos Aroeirais where you can spend the evening and dinner in the beautiful garden by the pool.

## Day 3 — 3: Monte dos Aroeirais - Alter do Chão - 4-6 hours riding

Todays ride takes you from Monte dos Aroeirais to the town of Alter do Chão, through meadows where they raise wild bulls. After a picnic lunch and siesta you arrive at the hotel - Varandas de Alter.  
The lovely owner of the hotel lets our horses stay in the hotel garden!

Dinner and overnight at Varandas de Alter.

## Day 4 — 4: Alter do Chão - 2,5h riding

Today in the morning you will ride through the vast flower-filled meadows on the lands of the stud farm. After lunch at the hotel, you will visit Alter do Chão, the stud and breeding farm. Horses bred here are very famous and traded under the name Alter. This is often a highlight and not only for horse-lovers. In this idyllic location, hundreds of mares and their colts graze on large meadows filled with flowers. You should also get the opportunity to see some of the stallions and young horses.

Return to the town of Alter where, time allowing, we stop at a Portuguese tack shop where you can buy local riding products such as leather chaps, boots or belts. Dinner and overnight at Varandas de Alter.

## Day 5 — 5: Alter do Chão - Ribeira da Seda - 4-6 hours riding

Leave the stud farm behind and ride to Ribeira da Seda through large meadows with only one remote farmhouse to remind you of the presence of people.  
You will enjoy views of the picturesque towns of Alter Pedroso and Cabeço de Vide.

Dinner and overnight at Monte dos Aroeirais.

## Day 6 — 6: Herdade dos Atoleiros - 4-6 hours riding

After leaving the hotel behind you will see an old train station – not in use anymore – with the typical Portuguese tiles or ‘azulejos’.  
Today's ride will take you to Herdade dos Atoleiros where, in the 14th century, a famous battle was fought between the Portuguese and the Spanish. You will stop for lunch next to the dam of Catarina Velha and return to Monte dos Aroeirais.

Dinner and overnight at Monte dos Aroeirais.

## Day 7 — 7: Torre de Palma - 4-6 hours riding

Today you ride from Monte dos Aroeirais towards Vaiamonte, more specifically Torre de Palma, where ruins still remind us of a Roman presence in the area, many centuries ago.  
Riders and horses return to Monte dos Aroeirais for a farewell dinner.

## Day 8 — 8: Monte Dos Aroeirais - Lisbon - No riding

After breakfast, transfer back to Lisbon and departure. You should book a flight departing after 2pm from Lisbon.

Earlier flights can be accommodated but you will have to pay for a private transfer - please contact us.

## Guide & local team

---

Your guide is Miguel and he has been guiding in this area for many years and helped discover the routes you ride. He is supported by a back-up vehicle driver who meets you for lunch each day and transports your luggage.

### PACE

---

The pace is varied to include trots, canters and possible gallops. Some of the canters can be long and across varied terrain so you need to be secure in the saddle.

### TACKING ABILITY AND PARTICIPATION

---

You will be asked to assist with grooming, tacking and un-tacking your horse.

- Equus Journeys strongly recommend that you wear a riding helmet and that you take your own to ensure a correct fit.
- Sunhat for when not riding

- T-shirts
- Lightweight fleece or jumper

## SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
