EQUESTRIAN INFO

Horses

The horses are mostly pure bred Marwari horses. They vary in size from 14.2 to 16 hands. They are warm bloods and need to be ridden more with the seat. We do not ride on the mouth as one would ride a thoroughbred. We sit deep almost western style and use the reins very lightly. The horses generally have a soft mouth. The Marwari's extraordinary beauty, arched ears and fiery look adds to their charm.

Minimum riding ability

MINIMUM RIDING ABILITY

—
You need to be a competent rider, capable and in control in all paces in open spaces. You must be able to rise to the trot and canter in a forward seat.

Weight limit: 14 stones (89 kgs) (196 lbs)

PACE

—
There are long periods of walking, some fast and regular trots and numerous gallops when the terrain allows it.

TACKING ABILITY AND PARTICIPATION

—
A team of grooms will feed, care for and saddle your horses. You can help with untacking if you wish, but this is not expected.

TRIP CONDITIONS AND REQUESTED EXPERIENCE

—
You should be at ease at the 3 paces. Having previous experience of a trail ride of several days would be an advantage but it is not compulsory. It is of particular importance to ensure you are comfortable and balanced when riding at speed across rough and open spaces.

Visiting a new country offers the opportunity to meet other cultures with different mentalities, therefore it is important to accept these differences and respect the local way of life.

EQUESTRIAN EQUIPMENT

The saddles are steel arch cavalry. They are made of leather fitted on a steel frame and the advantage is that they do not sit on the withered of the horse. This way you ride a natural deep seat and it is beneficial for the horse on long rides.

We recommend a seat saver be taken with you and the grooms will happily put it in place.

We recommend our riders to wear a helmet to the correct standard and you should bring your own to ensure a proper fit.

TRAVEL INFO

COMFORT

This the core point of this ride. You stay in luxurious or more simple country side palaces which belongs to Jodhpur or Udaipu Maharajas families or a local civil servant. Some of the palaces offer swimming pool facilities which is very pleasant during hot season. You overnight in a double room with private bathroom. Before or after the ride we have selected high standard hotel.

In Pushkar the camp is very comfortable with bed, shower and toilet.

MEALS

Camping : A help yourself breakfast of toast and cereals with eggs cooked to order if you wish. You have a hot lunch and then another hot meal in the evening around the camp fire. The food is varied and tasty Indian cuisine.

Contrary to popular belief, all Hindus are not vegetarians and strict vegetarianism is limited to the south. However, you are unlikely to be served beef steak as the cow is sacred. You can expect to eat either goat or chicken.

Water:

Take care and do not drink water unless it out of a bottle. It is better to buy mineral water when staying in the towns. The water you will be offered along the trail will be treated.

There will be limited alcohol to purchase and a variety of soft drinks.

CLIMATE

Rajasthan has a hot dry climate. The monsoon is from June to September during which it is particularly hot. Rain outside the monsoon months is unlikely. The rides are scheduled for the cooler months and at this time the maximum temperature would be around 24°C during the day. Please be mindful that evenings can be cool (c. 5°C) and you should bring a warm sweater and be prepared for a chilly morning just in case there is a snow fall in the Himalayas as the temperature does drop suddenly at times. When camping, the nights can be cold are felt much more and you are advised to bring warm clothes for sleeping.

GUIDE AND LOCAL TEAM

Who better to lead you than a direct descendant of the House of Ghanerao, a man who can give you the history with anecdotes of the country , offering an experience that is highly personalized and specialized. His passion for nature and conservation of the environment gives a lot of material for exciting stories.

Khem is personally known and related to most of your hosts at the heritage hotels ensuring you are well looked after. He is also a keen naturalist, and can help you identify various species of flora, fauna and avifauna that you may encounter.

A keen sportsman and excellent rider - he has helped to train horses for Polo and now plays golf between Safaris. Khem - a committed bachelor, is a well travelled man and a world citizen, greatly committed to the conservation of the fragile ecology of our planet. All in all, the man most qualified to lead you on your adventure from the plains of Marwar to the hills of Mewar.

TIPS

Tipping is popular in India and it is customary to tip not only your team (guide, cook etc) but also staff in hotels and restaurants. You may find it useful to create a communal tipping "pool" at the start of the trip so that the group tip as a whole. Budget for c. £40-50 per person in total. However, tipping is not an obligation and so this is left to your discretion.

Be careful not to tip too much - being overly generous can affect the general standard of living and destabilise the local economy. If children earn more money than their fathers by begging or asking for money for photos then this can create major distortions within the family.

PACKING LIST

Please pack in accordance with local religious and traditional cultures - it is important to keep your shoulders and knees covered when meeting local populations. Please do not wear shorts or strappy tops in towns and villages. You will also require some smart casual clothes for your hotel nights.

Head

- Equus Journeys strongly recommend that you wear a riding helmet and that you take your own to ensure a correct fit. There are many lightweight options available nowadays
- Sunhat for when not riding

a

India's Bureau of Immigration has announced that with immediate effect, foreign nationals who arrive at an Indian port holding non-machine readable passports will be denied entry. Carriers who transport foreign passengers holding non-machine readable passports may be subject to a fine.

Health

Vaccinations are sometimes advised for hepatitis A and B, Japanese encephalitis, tuberculosis (for infants), polio and typhoid. Dengue and malaria are both caused by mosquito bites and are prevalent in hot and humid conditions. There are occasional, seasonal outbreaks of dengue fever. Travellers should vigilantly protect themselves against mosquito bites.

Malaria prevention is strongly recommended so use insect repellent and wear protective clothing. Obtain anti-malarial medicine from your doctor before travelling.

Even seasoned travellers may find themselves at the mercy of travellers' diarrhoea. Hygiene standards vary. If possible, travel around with soap or antibacterial gel in order to clean your hands. The culprits that cause diarrhoea are often the microorganisms found in local water supplies, so decrease your chances by drinking bottled or boiled water. You can have alcoholic drinks but say no to ice. Drink carbonated beverages or those with only boiled water like coffee and tea.

Carry rehydration solution packets, Pepto Bismol or Imodium in case you are afflicted. Before your travel, seek medical advice about what to take for self-treatment.

Wear adequate sunscreen or do like the locals to beat the heat and avoid the sun between 1200 and 1600 when it is at its harshest; don a cotton kameez to keep covered and cool.

Insurance

It is a condition of your booking with Equus Journeys that you have travel insurance which covers you for the riding activities to be undertaken. Your travel insurance should cover you for medical expenses and repatriation. Your guides will require your travel insurance details before they allow you to ride and may refuse to let you ride if you cannot provide them. You should take your insurance documents with you.

Our recommendation :

Cancellation and travel insurances are not included. Please note that insurance is mandatory. We recommend to take out an insurance policy as soon as your travel is booked in case of cancellation.

Budget and money

Note: The import and export of local currency is prohibited. Sometimes smaller vendors will not take bills larger than Rs 500. It is best to carry a range of rupee notes if you are shopping at bazaars and local markets.

Credit cards:

In major cities, the full cadre of banks cards are generally accepted including debit cards, American Express, Diners Club, MasterCard and Visa. However, in smaller towns and villages, choice is generally narrowed to cash or MasterCard and Visa.

24 hour ATM machines can be found in all the major cities and most large towns. Visa, MasterCard, Cirrus, Maestro and Plus are amongst the most commonly accepted cards.
