TRAVEL INFO

COMFORT

The ranch is one of the highlights of the trip. Built in traditional Moroccan style, it offers simple but comfortable accommodation and a relaxed, quiet atmosphere, with plants all around. There is a cosy lounge/dining area, a few shaded patios and a lovely rooftop terrace with great views over the stables and the ocean.

There are eight comfortable rooms, all with en-suite bathrooms. Single, twin and triple rooms are available.

Wifi is available but limited. The beach is approximately a 10-minute walk away. The ranch also has yoga mats available for guests to borrow. A hammam or massage can usually be booked on request for an additional fee.

MEALS

You can expect delicious traditional Moroccan cuisine. Meals are varied and taken together. Dietary requests can usually be catered for, please check with us in advance.

The ranch does not have a license to serve alcohol.

Water:

Please do not drink water from unknown sources. You will be provided with fresh water.

CLIMATE

The climate is most pleasant all year round and benefits from its proximity to the ocean. There are no really high temperatures during the summer (temperatures rarely go above 35°C) and winter temperatures stay mild. Nights in the winter can however be chilly and showers can happen: make sure to pack accordingly!

TIPS

Tipping is customary, and we recommend about £25-35 for the whole team.

PACKING LIST

Head

- Helmets are mandatory. Equus Journeys strongly recommend that you take your own to ensure a correct fit.
- Sunhat for when not riding
- Sunglasses - with a cord attached so they don't fly off when riding
- Buff or bandana to ride the sometimes dusty trails

Upper body

- Long sleeved shirts provide protection from the sun and dust
- T-shirts
- Fleece, jumper or jacket - the evenings can be cold in the winter
- Waterproof jacket - the rains can be difficult to foresee and it's better to be prepared. Layering is key to cope with the fluctuations in temperature between day and night
- Casual clothes for the evening

Legs

- Lightweight, comfortable riding trousers or jodhpurs - we recommend riding in them at home before taking them on holiday to ensure they don't rub
- Shorts for lazy lunchtimes
- Casual clothes for the evening

Hands and Feet

- Comfortable riding boots. We recommend short boots with half chaps as long chaps/long boots can get very hot.
- Sandals, flip-flops or trainers for when not riding
- Gloves - your hands are particularly exposed to the sun whilst riding

Other useful items

- Swimsuit
- Water bottle (1.5 litre or two x 1 litre)
- Camera and high capacity memory card. Spare battery
- Headtorch or small torch for moving around at night

In your luggage

- Any liquids, such as shampoo, moisturiser, deodorant unless they are less than 100ml and all bottles can fit in a small, clear, plastic ziplock bag.
- Small penknife

In your hand luggage

- Any valuables, such as your camera, ipod, ipad etc.
- Your riding hat

Medical kit

- Sunscreen and lip balm - must be high factor
- Insect repellent
- Any medication you regularly take
- Blister plasters in case of any rubs
- Antiseptic cream, plasters, aspirin, anti-histamine, insect-bite salve etc...
- Spare prescription glasses/contact lenses
- Ear plugs, particularly if you are a light sleeper

Our Recommendations

- A bum bag might be useful to bring a small bottle of water, camera, lip balm or suncream during the ride.
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
