Day 1 — 1 : UK - DUBLIN OR BELFAST - CASTLE LESLIE - 1 hour riding

The Lodge at Castle Leslie

Castle Leslie is easily accessible from either Dublin or Belfast airport.

You can either request a private transfer from the airport, take a bus to the closest city (Monaghan) or rent a car.

After you settle into your room at The Lodge, depending on your arrival time, you may like to take a walk around the estate. Your first assessment lesson will be at 4.15 pm: it is a good opportunity to discuss your requirements for the week ahead with your instructors.

Your package includes half-board accommodation, with dinners (2 course meals) at Conor's Bar.

PLEASE NOTE - The following programme is tailored for competent riders who have previous cross-country experience. However, all riding abilities are welcome to Castle Leslie and we would be happy to create an itinerary in keeping with your requirements and riding skills. Activities are weather-dependent and might change to work around weather conditions. Lessons scheduled below are just an example and we will construct an itinerary to suit your flight times and other activities you may like to do while in Ireland.

Day 2 — 2 : CASTLE LESLIE - 3 hours riding

The Lodge at Castle Leslie

After a leisurely breakfast, head to the stables for your 10 a.m. Estate ride (2 hrs). You will have the chance to catch a glimpse of the impressive cross-country course that unrolls across the grounds of the Castle.

After lunch (to your own account), a jumping lesson is planned at around 3 p.m. All instructors at Castle Leslie are experienced and BHS qualified, and will be able to help refine any riding issues you may have.

After your lesson, you may like to relax in the spa or avail of one of the many activities on offer at the Castle: clay pigeon-shooting, kayaking, fishing... Activities and access to the spa are at an extra cost, payable locally. Please contact us for a full list of activities.

Dinner at Conor's Bar and night at the lodge.

Day 3 — 3 : CASTLE LESLIE - 3 hours riding

The Lodge at Castle Leslie

In the morning, another ride takes you around the stunning Castle grounds for around 2 hrs. There are over 21 miles of bridleways for you to enjoy, with good canters to be had.

Lunch (to your own account) will be followed by a jumping lesson to consolidate yesterday's skills.

In the afternoon, you may want to explore the surroundings, as the area teems with local attractions and opportunities for outdoors pursuits.

Dinner at Conor's Bar and night at the lodge.

Day 4 — 4 : CASTLE LESLIE - 3 hours riding

The Lodge at Castle Leslie

Now that you are familiarised with the horses and the instructors, it is time to get ready for your first cross-country training session. This morning, you are likely to ride in the indoors arena, focusing on your technique and position over indoors cross-country jumps.

The afternoon ride (2 hrs) will see you tackle Castle Leslie's renowned cross-country course! Probably one of the best courses in the country, there are jumps for all levels of riding and more than enough fences for thrill-seekers.

Dinner at Conor's Bar and night at the lodge.

Day 5 — 5 : CASTLE LESLIE - 3 hours riding

The Lodge at Castle Leslie

In the morning, another cross-country jumping lesson awaits. With over 300 jumps around the Estate, you may like to try out new jumps or combinations or go over your favourite jumps again.

Every rider knows that good flatwork is key to a successful course. This afternoon, a 1h lesson will focus solely on your skills over the flat.

If you wish, you may book an additional lesson at any time - why not try side-saddle riding? (subject to availability, at an extra cost).

Dinner at Conor's Bar and night at the lodge.

Day 6 — 6 : CASTLE LESLIE - 2 hours riding

Right after breakfast, enjoy your last cross-country ride. This is your last opportunity to work on your skills and ask your last questions to Castle Leslie's instructors before the end of your training programme.

You are transferred to the airport of your choice (Dublin/Belfast) after your ride.

SUSTAINABLE TOURISM

- Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
- Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
- Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
- Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
- Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
- Share!** Raise awareness among your family and friends about sustainable tourism.
