ITINERARY

Highlights

- Excellent off-road trekking in one of the most scenic regions of the UK
- Sensitive, forward going horses who are trained in both English and Western riding
- Spot herds of wild ponies and their foals
- Two special departures allow you to explore Chagford (August) or Widecombe (September) fairs

Day 1 — 1 : ARRIVAL TO EXETER

Fly to Exeter airport or take a train to Exeter St David's station. Make your way to Okehampton station, where Phill will be waiting for you. You can also make your own way by car, in which case you should plan to arrive from 2.00 pm onwards.

You will meet with your hosts at the hotel and will discuss the week ahead. You are welcome to make your own dinner arrangements for the night. The hotel has a good selection of traditional English food (fish & chips, bangers and mash, beef and ale pie, etc), and there are other restaurants within walking distance.

Day 2 — 2 : RIDING ACROSS THE MOORS - 4-5 hours riding

Your host Phil will pick you up from your hotel to take you to his farm, located just a few miles away. The farm hosts a range of activities, including real cattle drives (please see our Cattle Drive programme if that is something you'd be interested in).

Today's ride will allow you to try out the horses. You will ride through the moor, on open land, admiring some geological and historical features of the land along the way. After a break for your picnic, you circle back to the farm to enjoy warm scones and a cup of tea.

You will then be transferred to your hotel for the night. Dinner at the pub or at a local restaurant, to your own account.

Day 3 — 3 : MELDON FARM - TWO BRIDGES - 4-5 hours riding

Today will offer good opportunities for long canterers. The moor is calling - it'd be rude not to answer! You will also cross to Lych Way, the legendary "Way of the Dead". Nothing too sinister, as its name simply comes from the fact that the inhabitants of the local farms were expected to travel to Lydford to bury their dead and attend services. After a few canterers, you finally reach your destination for the night, a hotel in Two Bridges perched on the banks of the West Dart River (or similar), right in the heart of the National Park.

Dinner to your own account.

Day 4 — 4 : TWO BRIDGES - WIDECOMBE - 4 hours riding

Today's destination is Widecombe, located 25km away. You ride east through green fields, before reaching your hotel for the night. Widecombe is a quaint, typical English town; make sure to explore it with an evening stroll before or after dinner!

Dinner to your own account and night at a B&B

Day 5 — 5 : FAIR DAY / RIDING - Depending on chosen programme

On normal dates, if you wish, you are welcome to take a break from the riding today and explore the Park, the local brewery or visitor centre. If you feel up for it, Phil will take you on a trail ride in the area.

Your ride takes you to Fernworthy reservoir, that boasts a rich abundance of wildlife and points of archaeological interest such as ancient stone cairns or hut circles. You reach Chagford on time for your dinner. Stay at the Three Crowns Hotel or similar, dinner to your own account.

On the 2nd Tuesday of September, the town comes alive with the event that attracts thousands of visitors come to see livestock, dog shows, displays of local produce, rural arts and crafts, etc. Dinner to your own account.

Today's ride will take you back from your starting point, Phil and Mandy's farm. You ride for about 25 km through the moorlands, enjoying your last day on horseback against the dramatic backdrop of the Dartmoor, with a stop at High Willhays (621m). You say goodbye to your horses before sharing some scones and tea with your hosts.

Our Recommendations

- Backpacks cannot be worn whilst riding. We recommend a small bum bag or a coat with pockets so that you can carry small items with you during the day (passport, camera, sunscreen, lipbalm etc)
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!
- You should also bring a copy of your passport/insurance in case you lose your documents. You can also save a copy into your mobile phone.

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
