### PACKING LIST

---

Head

- A riding helmet is compulsory and we recommend that you take your own to ensure a correct fit. Helmet makers (GPA, HKM, LAS Helmets, Lamicell,

Troxel...) now offer horse-riding helmets that are ventilated, strong, light and comfortable.

- Sunhat for when not riding
- Sunglasses - with a cord attached so they don't fly off when riding
- Buff or bandana for protecting your neck and face from the sun, wind or rain
- Warm hat for cold evenings/days

#### Upper body

- Thermals in case of cold weather
- Long sleeved shirts provide protection from the sun or extra warmth
- T-shirts
- Lightweight fleece or jumper
- Waterproof jacket (made from Goretex or equivalent) and/ or (depending on the season) a waterproof vest that covers you thighs.

#### Legs

- 2 pairs of lightweight, comfortable riding trousers or jodhpurs - we recommend riding in them at home before taking them on holiday to ensure they don't rub
- Waterproof over trousers (made from Goretex or equivalent), especially if you don't have a long waterproof coat
- Casual clothes for the evenings (jeans or walking trousers)

#### Hands and Feet

- Comfortable riding boots. We recommend short boots with half chaps but you may wish to take long chaps. We don't recommend taking your favourite long leather boots in case they get damaged
- Lightweight shoes or trainers for the evenings
- Several pairs of socks
- Gloves - your hands are particularly exposed to the sun, wind or rain whilst riding

#### Other useful items

- Swimsuit (some of the hotels have pools)
- Water bottle (1.5 litres or 2 equivalent)
- Small torch for moving around at night
- Toiletries
- Protein or cereal bars for the longer stretches of riding
- Small plastic bags for your rubbish
- Ear plugs (may be useful)
- Camera and high capacity memory card. Spare battery

- 10cm wide bandage
- Spare prescription glasses/contact lenses

- Antiseptic wipes
- Handwash gel

#### Other recommendations:

- In your hand luggage: Any liquids, such as shampoo, moisturiser, deodorant over 100 ml and all bottles can be decanted into small, clear, plastic Ziplock bags. We recommend biodegradable washing products where possible.
- We recommend taking a copy of your passport and insurance documents with you in case you lose your originals
- In your hand luggage carry any valuables, such as your camera, ipod, ipad etc.
- Backpacks cannot be worn whilst riding. We recommend a small bum bag or a coat with pockets so that you can carry small items with you during the day (camera, sunscreen, lip balm etc). Saddlepads have pockets for small items too.

- A soothing cream may be useful to treat areas irritated by long hours in the saddle
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!

## SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
