## Day 1 — 1 : JOHANNESBURG - EAST LONDON - KEI MOUTH - 1-2 hour riding

On arrival at East London airport, you will be transferred to Kei Mouth. We recommend flight 4Z915 from Johannesburg, which arrives into East London at 12:00 noon. Landing at noon is helpful as it allows time for an introductory ride that afternoon. You will be collected from East London airport and should arrive in Kei Mouth on time for a light lunch.

Change into your riding clothes before meeting the horses. This afternoon you will ride for an hour or a little longer to blow away the travelling cobwebs and give the guides a chance to assess your riding and make sure that they have the right horses allocated. Down by the river mouth you will have your first chance to canter along the beautiful beaches that this area is famous for.

Overnight and dinner at Kei Mouth Guest Lodge.

## Day 2 — 2: KEI MOUTH RIVER - WAVECREST - 4-5h riding

Wavecrest Hotel

Your overnight adventure trail begins! It is a full day of riding ahead. Along the beaches and inland, the scenery is simply stunning. There is a good

chance of spotting dolphins in the surf as you canter along the beautiful stretches of beach. Lunch is a saddlebag picnic with the chance to soak up the sun and enjoy the sea before heading to your hotel in the afternoon.

## Day 3 — 3: Wavecrest - 3 hours riding

### Wavecrest Hotel

Departure time this morning is dictated by the tide. A fantastic three-hour ride across country awaits you, through rolling hills and traditional villages. You will ride along stretches of beach at low tide – the gallops are exhilarating. There will be a river crossing at the start or the end of the ride (tide dependent) which will complete this magical morning. You will be back at the hotel in time for lunch or if the weather and tide are favorable, this will be a picnic lunch.

This afternoon you will have a choice of activities, you can take a boat trip up the river and explore the stunning mangrove estuary of the Nxaxo river, go walking or just relax at the spa or in the jacuzzi. This afternoon is totally flexible as there are so many options to consider.

Overnight and dinner at Wavecrest Hotel.

## Day 4 — 4: WAVECREST - KEI MOUTH - 3 hours riding

Today you start your journey back to Kei Mouth. You ride inland this morning, crossing the river high up and away from the tides' influence. The slay paths and track offer great canters as you wind your way back to the beach. Then you head towards Kei Mouth and the pontoon crossing before dropping the horses off at the paddocks before a late lunch at one of the local restaurants. Then it is a time to wander back to the guest house, and your final night on the Wild Coast.

Overnight and dinner at The Yard.

## Day 5 — 5: - EAST LONDON - JOHANNESBURG

On your last morning, you will explore the cliffs and village of Morgan Bay and have one last canter down the beach. You will be able to shower and change before departure.

You will be collected at 14:00 for flights departing after 17:00 or you can be dropped off at another address as arranged (we can organise an extension: safari in the Kruger, riding safari in Botswana, a visit to Victoria Falls, or even a relaxing beach holiday in Mozambique!).

### TACKING ABILITY AND PARTICIPATION

---

Your guides will feed, care for and saddle your horses, but you may wish to help untack at the end of the day.

### TRIP CONDITIONS AND REQUESTED EXPERIENCE

---

You need to be physically fit for long hours in the saddle in the African sun.

The saddles are comfortable for riders with a high pommel and shallow seat which permit a good seat - most also have a sheepskin seatsaver on top. Each saddle also has a small saddle bag sufficient for carrying bottles of water and sunscreen necessary for the entire riding day.

We recommend our riders to wear a helmet to the correct standard and you should bring your own to ensure a proper fit.

## PACKING LIST

### Head

- Hard hats are compulsory and we recommend you take your own to ensure a correct fit.
- Sunhat for when not riding
- Sunglasses - with a cord attached so they don't fly off when riding
- Buff or bandana

### Upper body

- Long sleeved shirts provide protection from the sun
- T-shirts
- Fleece, jumper or jacket - the evenings can be cold
- Waterproof jacket - required all year round, but particularly during the winter months (May - October) when there can be rain or thunderstorms
- Casual clothes for the evening

### Legs

- Lightweight, comfortable riding trousers or jodhpurs - we recommend riding in them at home before taking them on holiday to ensure they don't rub
- Shorts for lazy lunchtimes
- Casual clothes for the evening

### Hands and Feet

- Comfortable riding boots. We recommend short boots with half chaps. We don't recommend taking your favourite long leather boots in case they get damaged (they can also be hot!)
- Sandals, flip-flops or trainers for when not riding
- Gloves - your hands are particularly exposed to the sun whilst riding

### Nightwear - pyjamas

### Other useful items

- Swimsuit - for the pools - the sea is generally not safe for swimming
- Binoculars for spotting dolphins/whales along the coastline
- Camera and high capacity memory card. Spare battery
- Bumbag for carrying your camera and small items whilst riding

### In your hand luggage

- Any valuables, such as your camera, ipod, ipad etc.
- Your riding hat

### Medical kit

- Sunscreen and lip balm - must be high factor
- Insect repellent, preferably containing deet
- Any medication you regularly take
- Blister plasters in case of any rubs

- We recommend taking a copy of your passport and insurance documents with you in case you lose your originals
- Any liquids in your hold luggage, such as shampoo, moisturizer, over 100ml should be decanted into small, clear, plastic ziplock bag. We recommend biodegradable washing products where possible.
- In your hand luggage take any valuables, such as your camera, ipod, ipad etc.
- Travelling in your boots/ hiking shoes and carrying your hat and some riding clothes in you hand luggage is highly recommended - then if your luggage goes astray you are still able to ride!

## SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
