- Visit the medieval city of Rocamadour, on the Pilgrim's trail
- Explore hidden trails and paths on horseback, such as the Halage trail, dug into the rock along the river
- Enjoy the local gastronomy and produce

## Day 1 — 1 : EQUESTRIAN CENTRE

You are expected at around 7:00 pm at the equestrian centre - transfers from the train station in Cahors can be arranged. You will meet your hosts Pascal and Charline before meeting the other riders and hearing about the plan for the week. You will also meet your horses and help get the gear ready for the week.

Dinner and overnight at the equestrian farm.

## Day 2 — 2: PECH MERLE - MONTFAUCON - 5-6h riding

Departure from the farm - today you will ride along the Sagne Valley. Picnic lunch at Artix. You will also visit the church's crypt at Caniac du Causse before you reach Montfaucon and your guesthouse for the night.

## Day 3 — MONFAUCON - LE VIGAN - 5-6h riding

You leave the "Causses" of the Quercy area to enter the natural region of the Bouriane. Lunch will be taken at a local farm, with local produce, in the small medieval village of Vaillac. Dinner and overnight in a renovated mill in Vigan.

## Day 4 — 4 : LE VIGAN - ROCAMADOUR - 5-6h riding

Another day in the saddle, heading towards the beautiful medieval town of Rocamadour. Lunch at Saint Sauveur before riding along the Ouyse Valley. After a while, you will reach a plateau with sweeping views over Rocamadour.. Dinner and overnight in a gite.

## Day 5 — 5 : ROCAMADOUR - SAINT SIMON - 5-6h riding

Ride around the town of Rocamadour to reach the Alzou valley and Gramat, where you will stop for lunch. The afternoon will see you riding in on a plateau. Dinner and overnight in a gite.

## Day 6 — 6 : SAINT SIMON - MARCILHAC SUR CELE - 5-6h riding

A really scenic day in the saddle. You will ride on old bridlepaths bordered by stone walls. Soon you will reach Espédaillac where you will stop for lunch. In the afternoon, you will ride alongside the Celé valley to St Sulpic, then Marcilhac sur Celé. If time allows, a guided tour of the village and the 10th century abbey is possible for those who wish.

Dinner and overnight in a gite.

## Day 7 — 7 : MARCILHAC SUR CELE - PECH MERLE - 5-6h riding

For your last day on the trail, you will ride up to a limescale plateau between the Lot and Celé Valleys. Lunch is waiting for you at St Cirq Lapopie. Your last stage is probably one of the most spectacular of the trail: you ride on the "Chemin the Halage", carved inside the stone alongside the Lot river. Arrival at the equestrian centre in the afternoon. Dinner and overnight at the equestrian farm.

## Day 8 — 8: PECH MERLE

After breakfast, self drive or shuttle to Cahors station. If time allows, why not plan a visit to the Pech Merle cave in the morning, and leave in the afternoon.

In France, it is customary to tip at coffees and restaurants - usually this is by rounding up the price and not mandatory. You may wish to leave a tip with the guide who can split it amongst all members of the team - this is not obligatory and is entirely at your discretion (we recommend €30-40 per person, split between the team)

## PACKING LIST

Please make sure to adapt this list depending on the season.

### Head

- A riding helmet is recommended and we recommend that you take your own to ensure a correct fit. Helmet makers (GPA, HKM, LAS Helmets, Lamicell, Troxel...) now offer horse-riding helmets that are ventilated, strong, light and comfortable.
- Sunhat for when not riding
- Sunglasses - with a cord attached so they don't fly off when riding
- Buff or bandana for protecting your neck and face from the sun, wind or rain
- Warm hat for cold evenings/days

### Upper body

- Thermals in case of cold weather
- Long sleeved shirts provide protection from the sun or extra warmth

- T-shirts
- Lightweight fleece or jumper
- Waterproof jacket (made from Goretex or equivalent) and/ or (depending on the season) a waterproof vest that covers your thighs.

#### Legs

- 2 pairs of lightweight, comfortable riding trousers or jodhpurs - we recommend riding in them at home before taking them on holiday to ensure they don't rub
- Waterproof over trousers (made from Goretex or equivalent), especially if you don't have a long waterproof coat
- Casual clothes for the evenings (jeans or walking trousers)

#### Hands and Feet

- Comfortable riding boots. We recommend short boots with half chaps but you may wish to take long chaps. We don't recommend taking your favourite long leather boots in case they get damaged
- Lightweight shoes or trainers for the evenings
- Several pairs of socks
- Gloves - your hands are particularly exposed to the sun, wind or rain whilst riding

#### Night

- Sleeping bag
- Towel

#### Other useful items

- Water bottle (1.5 litres or 2 equivalent)
- Small torch for moving around at night
- Toiletries
- Protein or cereal bars for the longer stretches of riding
- Small plastic bags for your rubbish
- Ear plugs (may be useful)
- Camera and high capacity memory card. Spare battery

#### Medical kit

Make sure any allergies (to medication or otherwise) and clearly stated in your medical kit

- Any medication you regularly take
- Painkillers
- Imodium or similar anti-diarrhea medication
- Vitamin C tablets
- Sunscreen and lip balm - should be high factor
- Insect repellent
- Eye drops
- Hydrating/ soothing cream
- Plasters
- Blister plasters in case of any rubs
- Antiseptic cream, plasters, aspirin, anti-histamine, insect-bite salve etc..
- 10cm wide bandage
- Spare prescription glasses/contact lenses
- Re-hydration sachets
- Antiseptic wipes
- Handwash gel

#### Other recommendations:

- In your hand luggage: Any liquids, such as shampoo, moisturiser, deodorant over 100 ml and all bottles can be decanted into small, clear, plastic Ziplock bags. We recommend biodegradable washing products where possible.
- We recommend taking a copy of your passport and insurance documents with you in case you lose your originals
- In your hand luggage carry any valuables, such as your camera, ipod, ipad etc.
- Backpacks cannot be worn whilst riding. We recommend a small bum bag or a coat with pockets so that you can carry small items with you during the day (camera, sunscreen, lip balm etc). Saddle pads have pockets for small items too.
- A soothing cream may be useful to treat areas irritated by long hours in the saddle
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
