## Day 1 — 1: EUROPE - ALMERIA

## Day 2 — 2: SAN JOSÉ - GENOVESES BEACH - SAN JOSÉ - 5-6 hours riding

After breakfast, your guide will introduce you to the safety procedures, and pair you with your horse.

Start your trail ride towards Genoveses - arguably one of the most famous beaches in Spain. Discover the pristine coastline of the Mediterranean as you allow your horse to stretch their legs across the white sands of Mónsul, Media Luna and El Arrecife de las Sirenas. A perfect photo opportunity set in one of the most iconic film sets for films such as "Indiana Jones" or "Lawrence of Arabia". Enjoy a picnic at the foot of the Cortijo "El Romeral", an Andalusian farm situated amongst centenary olive trees. End your day on a high as you ride up into the Del Tesorillo valley. Dinner and overnight at the hotel.

## Day 3 — 3: SAN JOSÉ - RODALQUILAR - 5-6h riding

After breakfast, you will start today's ride in the north of the park where the Sierra de Gata Mountains are located. Enjoy the peace and tranquillity of the mountain range as your ride across the beautiful landscape, and pass through an original Spanish village of Los Albaricoques. Today, most of the village houses have been refurbished, stripping away the original Old West style theme, but as you ride through the narrow streets, you may see some familiar street names of famous films and actors that were made here. Let your horses have a well deserved break in the iconic spot of El Cortijo del Fraile, where you can enjoy a picnic lunch. You will ride back to the hotel in the afternoon. Dinner and overnight at the hotel.

## Day 4 — 4: RODALQUILAR - EL PLAYAZO - RODALQUILAR - 5h riding

Today, you will start the fourth day of your riding holiday in the eastern part of Cabo de Gata natural park, Andalusia's largest coastal protected area.

The route climbs up to La Torre de los Lobos, from where you can enjoy panoramic views of the park and the snow-capped peaks of the Sierra Nevada (season dependent).

Stop at Cala del Cuervo to enjoy a picnic by the seaside. From there, after passing through a palm tree oasis, you will reach the famous beach of El Playazo, popular since Roman times and a passageway for pirates. Return to Rodalquilar.

Dinner at a local restaurant on the beach to enjoy a special menu of grilled fish.

## Day 5 — 5: RODALQUILAR - GOLD MINE - RODALQUILAR - 5-6h riding

Today's ride will begin along the ancient paths of the goldmine. Let your horse guide you along the narrow ravines, before crossing the volcanic crater which now forms the Rodalquilar valley. As you ride through the valley, uncover the hidden gold, which is said to be concealed by mineral walls. End your day's ride with a step back into history as you visit the old mines that were used throughout the 1930's right until the end of the 1980's.

After a full day in the saddle, enjoy a delicious locally sourced dinner and a relaxing night at the hotel.

## Day 6 — 6: RODALQUILAR- LAS NEGRAS -RODALQUILAR - 3h riding

Today you will uncover the beauty of Las Negras, an ancient fishing town. Las Negras gets its name from the "Black Mountain" of El Cerro Negro, situated close to the village. This impressive rock formation fills the shores in its dark black stones. Enjoy the bright blue waters of the bay whilst you soak up the sun and enjoy your last few moments on horseback.

Arrival in Rodalquilar at noon where you will transfer to the town of "Las Negras" to taste a traditional paella.

Afternoon at leisure - you can enjoy the Spa facilities at the hotel (treatments are payable locally)\*

\* Note: not available for the New Year departure (spa facilities are closed)

## Day 7 — 7: RODALQUILAR - ISLETA DEL MORO- SAN JOSÉ - 5-6 hours riding

Your final day in the saddle. As you leave behind Rodalquilar, you will ride along the beautiful coast line on a track that was once used to protect the local villages from pirate attacks. Take a look back into history as you pass the small castles and watch towers of this idyllic region. After an adventurous morning, enjoy a picnic in a small oasis, under the shade of large palm tree leaves on the beautiful beach of Escullos.

## Day 8 — 8: ALMERIA - EUROPE

The last breakfast with your group and your brilliant guides, before saying goodbye.

## SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).

5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
