Up and down along the Ring of Kerry in Ireland

ITINERARY

Highlights

- Enjoy the Irish hospitality staying in small hotels and B&B's along the way
- Evenings are free to explore the area and soak up the atmosphere of the Irish pubs
- See the majestic McGillicuddy's Reeks, Ireland's highest mountain range
- Experience the thrills of a beach canter along Rossbeigh beach.

Day 1 — 1: Fly to Cork or Shannon- Killarney

 Foleys Townhouse Guesthouse

You can fly to either Cork or Shannon Airport. You will need to transfer by bus from the airport to Killarney (approx 2hrs 30 from Cork and 2hrs from Shannon, you may also transfer by train if the train times allow). This transfer is not included and at your own cost, but we are happy to help organise this.

You will be collected from the bus or train station and taken to the Killarney riding stables to meet with your hosts. You will discuss your previous riding experience and be briefed on the general trail ride information. You will then be taken from the stables to your overnight accommodation in the Killarney area.

Day 2 — 2: Seefinn Mountain - Lake Caragh - Glenbeigh - 4 - 4.5 hours

 Towers Hotel

You will be collected from the accommodation after breakfast at around 10:00 am (you should be in your riding gear with your luggage ready to go with

you). A short transfer to the base of Seefinn Mountain where the trail begins, you will be allocated your horse. You will then ride over the Windy Gap with views over the splendour of Caragh Lake and the valley beyond. Ride to Coomasaharn Lake which is enclosed by Horseshoe Mountain followed by a scenic ride over an Irish bog, finishing for the day at stables in Mountain Stage.

Sunday and Monday nights are spent in the quaint village of Glenbeigh. The village is almost surrounded by mountains, and the area is famous for its friendly people and their humour. The scenery is breath-taking, with the River Behy and Rossbeigh Strand close by. The area is full of history and Winns Folly Castle is well worth a visit.

Day 3 — 3: Rossbeigh Beach - Glenbeigh - 4 - 4.5 hours

 Towers Hotel

After breakfast you will be driven back to the stables to begin today's ride. The day is spent on Rossbeigh beach, galloping along stretches of beautiful golden sand.

Pass by a light house built more than a century ago which guides ships entering Castlemaine Harbour. You will have a great view of the panorama of Dingle and the Iveragh Peninsulas to the North and South.

You will stop for a picnic lunch on the beach before enjoying more riding along the long stretches of sand. Return from the beach via the Cliff Road.

Day 4 — 4: Departure

Breakfast. Check out after breakfast.

A taxi to Killarney can be booked for you at an extra cost. Alternatively bus for Killarney departs at 8.05am and 12.20pm.

Guide & local team

You will be accompanied by local Irish guides. Foreign volunteer students may also accompany some of the rides as back up guides and usually speak German or French.

Minimum riding ability

MINIMUM RIDING ABILITY

Riders should be able to walk, trot and canter in open spaces while keeping their distance from other horses.

Rider weight limit: 110 kg / 242 lbs / 17.3 st (experienced riders). Heavier riders please contact us.

PACE

The pace of the ride will be dictated by terrain and is overall moderate. There will be opportunities for canters and a gallop along the beach. Some of the riding is on small, remote tarmac roads.

TACKING ABILITY AND PARTICIPATION

Everyone's help is required for grooming, tacking and untacking of the horses. You can also help with the distribution of food and water.

PACKING LIST

Please pack carefully and sensibly: the following guide is here to give you an idea of what to bring. This list must be adapted depending on the season and individual needs.

- Several pairs of socks
- Gloves

Other useful items

Our Recommendations

- Backpacks cannot be worn whilst riding. We recommend a small bum bag or a coat with pockets so that you can carry small items with you during the day (passport, camera, sunscreen, lipbalm etc)
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!
- You should also bring a copy of your passport/insurance in case you lose your documents. You can also save a copy into your mobile phone.

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
