ITINERARY

Highlights

- Discover Crete's diverse landscapes - from olive groves to mountain trails with stunning views of the Mediterranean Sea.
- Relax in the countryside hotel, featuring a pool and on-site massage treatments for ultimate post-ride recovery!
- Enjoy delicious "farm-to-table", Greek cuisine.

Day 1 — 1 : HOME – HERAKLION

Hotel Velani

Fly to Heraklion in Crete. Flights are not included but we can assist with this on request. If you require airport transfers (the hotel is 45 min away from the airport), this can be arranged – please see dates and prices.

Welcome dinner with the rest of the group and night at the hotel. Note for late arrivals: dinner will be taken to your room (simple, cold meal).

Day 2 — 2 : LYTTOS - Approx 3 hours riding

Hotel Velani

For your first day in the saddle in Crete, you ride uphill to visit the archaeological site of the ancient city of Lyttos - stop a moment to enjoy the views over the valley of Kastelli. The city of Lyttos (meaning high, tall), was a strong Minoan town and a rival of Knossos. The city was even mentioned by Homer as Lyktos. It had an aqueduct, theatre and acropolis. Unfortunately nowadays little can be seen of this, as excavations of the site have yet fully taken place. The site has two Byzantine churches. After some time spent exploring the city, you ride along the remains of the Roman aqueduct back to

the equestrian hotel.

Please note: the itinerary is given for indicative purposes only and the rides can be done in a different order.

Day 3 — 3 : MOCHOS - Approx. 3 hours riding

 Hotel Velani

Today is an active ride in a northerly direction, past the Byzantine church. You ride up the hills dotted with olive trees until you reach the Mochos Plateau. The paths open up and offer opportunities for a faster pace over the plateau. Ride back through the village of Avdou.

Day 4 — 4 : LAKE APOSELEMIS - Approx. 4 hours riding

 Hotel Velani

Ride through the village of Avdou up the hills of Sfendili. You are surrounded by the Cretan countryside, enjoying views over the Dikti peaks and the Psiloritis Mountains. You then ride down to Lake Aposelemis and follow the water to the deserted village of Sfendily, riding back to the hotel for a well-deserved rest and perhaps a swim!

Day 5 — 5 : AGIA FOTEINIE - 2-3 hours riding

 Hotel Velani

A spectacular climb up the mountain offering excellent views over the Langada valley with Lake Aposelemis. You ride through Kerm Oak forest to visit the mysterious Church of the Saint Fotini, hidden deep within a cave.

Day 6 — 6 : KERA - 5 hours riding

 Hotel Velani

You ride through the gorge of Gonies (Rosas Gorge) to start your spectacular climb to the Greek village of Kera at 800 meters. In spring time on the walls of the gorge you can spot the vulture nests. In Kera, you stop for lunch at Restaurant Niki, before starting your decent along the springs of Kera. Another beautiful day riding in Crete.

Day 7 — 7 : CYPRESS RIDE - Approx. 3 hours riding

 Hotel Velani

Your last day exploring Crete on horseback. You ride through a very quiet, beautiful valley full of olive groves, along a small cypress forest. There are some steep ascents today before you reach the hotel.

Day 8 — 8: HERAKLION - HOME

Transfer to Heraklion airport (payable locally) after breakfast.

EQUESTRIAN INFO

Horses

You ride on Arabians, Thoroughbreds and warmbloods – hardy horses with great stamina, used to long-distance riding and difficult terrain. They are always eager to go, sure-footed and easy to handle.

They vary in height and each has their own temperament, so there is a horse for any sort of rider!

Guide & local team

Sabine (of Dutch descent) and Manolis Fragkakis (Greek), are the owners of the stables and have been welcoming guests on riding holidays since 1997, building the hotel in 2006. Vladimir and Beau complete the team. Your guides will speak English (and Dutch, if led by Sabine).

Safety and horse welfare is their priority - the stables are an ISO 9001:2008 certified yard, with a standardisation for safety and stable management.

Minimum riding ability

MINIMUM RIDING ABILITY

You need to be at least an intermediate rider, capable of riding a horse at all paces in the outdoors.

There is a rider weight limit of 90kg /198lb/14st.

PACE

You will be riding at all three paces. When riding in the more mountainous areas the pace will be slower for obvious safety reasons, and you may have to dismount and lead your horse on foot.

TACKING ABILITY AND PARTICIPATION

All riders are responsible for grooming and tacking their own horse. You can also help the team feed and water the horses when required.

TRIP CONDITIONS AND REQUESTED EXPERIENCE

No particular requested experience other than being a rider of at least an intermediate level and confident riding outdoors. On some occasions you will be asked to dismount and lead your horse on foot over hills and rocky terrain.

EQUESTRIAN EQUIPMENT

English and trail riding saddles. Saddlebags are provided.

We recommend our riders to wear a helmet to the correct standard and you should bring your own to ensure a proper fit.

TRAVEL INFO

COMFORT

You will be staying in a countryside hotel.

The 12 en-suite rooms are spacious, with beautiful views over the valley. All rooms have a large private balcony or patio with garden. There is a pool available for all guests.

WiFi is available.

Laundry services are available (paid locally).

MEALS

The restaurant at the main hotel only uses fresh ingredients and local products. The restaurant has its own vegetable, herb and fruit gardens providing guests daily with new seasonable ingredients. Some of the local produce used in the restaurant also includes meat from free-ranging goats and sheep from neighbouring farms, cheese made by the local shepherd, homemade raki and honey from a local beekeeper.

Lunches can be picnic lunches carried in your saddlebag.

Dietary requests can usually be accommodated if mentioned in advance - please inform your travel advisor upon booking.

CLIMATE

Crete, the largest Greek island, has a Mediterranean climate, with mild, rainy winters and hot, sunny summers.

The bulk of the rain falls from October to March; in summer, it almost never rains. In winter, but also in spring, it can snow in the mountains, the highest of which is Mount Ida, 2,456 meters (8,058 feet) high.

In winter, from December to mid-March, temperatures are generally mild. For its southern location, Crete is less exposed to cold spells than other Greek islands, however, the temperature can drop at night. Springs and summers are warm to hot (up to 30°C), and very sunny with virtually no rain.

TIPS

Tips are left to your discretion and are not mandatory. We recommend around €40/£35 per rider for the week, to be divided between the team.

Our Recommendations

- Backpacks cannot be worn whilst riding. We recommend a small bumbag or a coat with pockets so that you can carry small items with you during the day (passport, camera, sunscreen, lipbalm etc)
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!
- You should also bring a copy of your passport/insurance in case you lose your documents. You can also save a copy into your mobile phone.

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
