## TRAVEL INFO

### COMFORT

Built for the Baron Botho zu Eulenburg in 1589, the Palace today remains a rare example of Renaissance architecture, one of the best-preserved in the area of old Prussia. Each of the 36 rooms in the Grange and Palace is different. The accommodation is normally in the Grange, which is closer to the stables, but Palace rooms can be requested.

Free WiFi is available.

Free parking on-site.

### MEALS

The food at Galiny Palace focuses on the freshness and quality of its ingredient, whilst celebrating the culinary traditions of the local Warmia and Masuria region. Ingredients are locally-sources or grown in their own garden.

Specialities include cabbage rolls stuffed with buckwheat, lamb dumplings, Ukrainian borscht, lamb confit in a wine-thyme sauce, potato dumplings, roast duck, and more.

Non-alcoholic drinks are included at meal times, and can be ordered at an extra charge during the day (coffee, tea, juice and beer).

Vegetarian meals and allergies can be accommodated, please contact us with your requirements.

### CLIMATE

The climate in Poland is continental, with very cold winters, often below freezing, and warm summers. June, July and August can be quite hot, September and October being dry and cooler. Galiny is located along the northern coast, where the climate is milder, but you should expect snow from December to February (thankfully, one of the indoor schools is heated!).

## SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
