## Day 1 — 1 : HOME SAN JOSE

You will catch your international flight to San Jose in Costa Rica (flights are not included, but can be booked upon request).

Upon arrival you will be met by a representative and transferred to your hotel near the airport. Overnight in San Jose. Dinner is not included tonight.

## Day 2 — 2: INTRODUCTORY RIDE - 3 hours riding

 Finca los Domos

Early in the morning you will be transferred to the ranch, where you will get to meet the guides and be assigned your horse for the start of this riding adventure! You will head towards the Cuarros river lowlands, riding along rolling hills and meadows into the Gallery Forest, alongside the Cuarros river – an excellent spot for wildlife encounters! Pass by farmland and rural homes before finally arriving back at the ranch.

The next three nights will be at Los Domos. Upgrades to Cerro Lodge, a beautiful 3-star hotel with a pool, can also be arranged – please see dates and prices.

## Day 3 — 3: COASTAL RIDE - 5-6 hours riding

---

After breakfast, your ride takes you along country lanes leading to Tivives Crag. The Spaniards first started their conquest of the Central Pacific around 1561 right from this very spot! Ride across the Cascajalillo Mangrove Swamps and along the Pacific coast. Depending on the tide, you may have the opportunity to enjoy a picnic on the beach, if not lunch will be served at a local café or back at the ranch. Again, depending on the tide you might climb on horseback towards Cuevas Crag, enjoying unique views of the Pacific Ocean or alternatively ride along the shoreline towards Guacalillo beach. Back to the ranch in time for dinner.

## Day 4 — 4: LA MARIANA ESTATE & COUNTRYSIDE - 3-5 hours riding

---

During the morning ride you will be exploring the hacienda and its private reserve, riding through beautiful scenery towards the Transitional-Dry Forest and the lush Gallery Forest. Here, the terrain is predominantly flat with gentle slopes and forested valleys. You will continue your trail ride towards higher grounds where you will be able to enjoy excellent views of the Pacific Ocean. If you are lucky, you might even have the chance to spot some local wildlife! Ride back to the hacienda where lunch awaits. In the afternoon, there will be an optional ride in the southern part of the hacienda that will take you to experience an ocean view sunset! Get back to the hacienda and relax before dinner time.

## Day 5 — 5: MACHUCA RIVER CANYON RIDE - 3-4 hours riding

---

Today will be the last ride in the Central Pacific. You will ride into the area where the Machuca river canyon broadens onto the plains. Head towards the Jesús María River basin, allowing exploration of the plains and forested valleys along the Machuca River Canyon, where the land is very fertile and most commonly used to cultivate melons. After lunch, transfer to the northern region, home to the Arenal Volcano, which last erupted in 1968 and remains one of the most active volcanoes in the world. The drive is around three and a half hours. Overnight in Arenal.

## Day 6 — 6: RURAL ARENAL & WATERFALL RIDE + THERMO-MINERAL HOT SPRINGS - 3-4 hours riding

---

Today's adventure begins at 8:30 am in the rural community of Monterrey, located on the mountain slopes near the Arenal Volcano. You will start the day learning about natural horsemanship, and then ride along a trail which leads to a secluded waterfall in the forest, giving you the chance to see wildlife such as tropical birds, monkeys, poison dart frogs, and even sloths. You will either have a traditional Costa Rican lunch here, or depending on rider numbers, you may ride to a local family farm for lunch.

In the afternoon, you will be transferred back to La Fortuna and you can enjoy some free time at the beautiful Arenal hot water springs and gardens - an excellent addition to your riding adventure! Overnight in Arenal.

## Day 7 — 7: TRANSFER TO THE CARIBBEAN COAST & COASTAL EXPLORATION - 2-3 hours riding

---

At around 6:45 a.m, get ready for the transfer that will take you to the Caribbean Coast (this takes approx. 5 hours). Upon arrival, and after checking in, there is some time to relax before lunch is ready. In the afternoon, there is a brief introductory ride to get acquainted with the new horses. Start with a jungle trail followed by some coastal riding, with the opportunity for some breathtaking canters. A stop for swimming and resting on the beach is usually included. Overnight in Cahuita.

## Day 8 — 8: FREE DAY & OPTIONAL VISIT TO CAHUITA NATIONAL PARK - No riding

---

Today is a free day for you to enjoy on your own. You will be able to enjoy one of the most beautiful and emblematic beaches of the Costa Rican Caribbean coastline! You can choose from a range of activities (at an extra cost) including: surf lessons, kayaking, visiting the indigenous community of Kekoldi, or, if the weather allows, you may be able to go snorkelling and hiking at Cahuita National Park. Another option is to enjoy some leisurely time, resting and exploring, swimming and sunbathing. Later, you may walk back to the town for lunch and perhaps visit some of the local souvenir shops, before transferring back to your hotel. Overnight in Cahuita.

## Day 9 — 9 : CARIBBEAN BEACH RIDE & TRANSFER BACK TO SAN JOSE - 2-3 hours riding

---

After breakfast, you will take a short walk to the stables and then ride over the scenic Playa Negra (Black Beach), and then head towards Playa Grande (Long Beach) – a secluded, quiet and deserted Caribbean beach, ideal for some lovely canters. You will then enter a tropical forest, where you may be able to spot howler monkeys, sloths and a variety of exotic birds such as toucans. Your guide will introduce you to the local flora and fauna. On the way back, there are more opportunities to canter. You will arrive back at the lodge in time for a shower, to check-out and transfer back to San Jose for your last night in Costa Rica.

### **PACKING LIST**

Head

- Sunhat for when not riding
- Sunglasses - with a cord attached so they don't fly off when riding

- Long sleeved shirts provide protection from the sun

- Waterproof over trousers
- Casual clothes for the evenings (jeans or walking trousers)
- Thermals in case of cold weather

#### Hands and Feet

you are still able to ride!

## SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
