Day 1 — 1: AN SIBIN RIDING CENTRE

 An Sabin

Arrive in Shannon airport on the West coast of Ireland. Flights are not included but can be booked on request. At around 4:00 pm, you will be transferred from Shannon airport to the equestrian farm, approx. 2 hours – this is where you will be staying for the first four nights. Please see “dates and prices” for notes on transfer arrangements and costs.

Today you can just relax and recover from your journey before starting your riding holiday tomorrow, or explore the walking trails around the property. Day 2 — 2: FOREST TRACKS & HOLY ISLAND - Approx. 2,5h riding

 An Sabin

After a hearty breakfast, go to the stables to meet your horse for the week and tack up for the first ride. Your morning will be spent riding along forest tracks and country lanes that will take you through abandoned farms from the 18th century. Get back to the riding centre in time for lunch, and after a quick rest you will be driven to nearby Mountshannon harbour, from where you will visit Holy Island by boat. Here you will have the opportunity to see church ruins, early monastic cells, a pre-12th century cemetery and a round tower. After this visit enjoy some free time which you can spend at a nearby pub, perhaps enjoying a glass of your favourite drink!

Finish your day with a delicious dinner back at the riding centre.

Day 3 — 3: SLIEVE AUGHTY MOUNTAINS & PORTUMNA CASTLE - Approx. 2,5h riding

Today ride into the hills of the Slieve Aughty Mountains and enjoy amazing views over the River Shannon. In the afternoon you will visit the Portumna workhouse museum, where the poor and destitute took shelter many years ago during the famine times. Afterwards, visit the 17th century Portumna Castle with its beautifully restored walled garden. For the rest of the afternoon, you will have time to do some shopping and visit another Irish pub if you like!

Enjoy a heart-warming dinner back at the riding centre.

Day 4 — 4: RURAL COUNTRYSIDE & PALLAS CASTLE - Approx. 2,5h riding

The day starts with another ride through Ireland's beautiful rural countryside, riding on quiet tracks. In the afternoon, you will visit the secluded ruins of the Pallas castle, one of the best preserved tower-houses and walled castle grounds of the Irish gentry in the 14th century. Relax by the peat fire and a traditional home-cooked meal back at the riding centre.

Day 5 — 5: CELTIC DOLMEN - Approx. 4h riding

Today is a full trail ride. In the morning you ride across traditional Irish landscapes of bog and heather. Afterwards you will be met by a minibus with all the supplies necessary to have a picnic out on the trail. In the afternoon, get back on your horse and explore the surrounding area. You will pass by a typical Celtic dolmen, which is believed to be 5000 years old!

Back at the riding centre for your last dinner.

EQUESTRIAN INFO

Horses

The horses available on this horse riding holiday in Ireland are, for the most part, Irish breeds like the Connemara, Irish Sport Horse, the Gypsy Vanner, and the Irish Cob.

Our local team breeds many of their horses at home. Each year some new foals join the growing herd. They are specifically trained by our guides to become the willing, safe and sure-footed trail horses they are – really the perfect mount for a week-long riding holiday in Ireland!

Guide & local team

Bertie and Nicola are your hosts. They are very friendly and open people. They have been operating trail rides in the west coast of Ireland and the Burren for many years now and are therefore very experienced.

Minimum riding ability

MINIMUM RIDING ABILITY

You need to be an intermediate or competent rider and able to control your horse at all paces in open spaces. You should be able to canter in forward seat and keep your balance.

Rider weight limit: 85 kilos, 187 lbs, 13.3 st.

PACE

The pace of this ride is overall moderate. There are opportunities for long trots and canters but it will vary depending on the terrain. The canters are carried out in single files. There are also long stretches of walking.

TACKING ABILITY AND PARTICIPATION

During this holiday, one horse will be assigned to you and you will be responsible for brushing, tacking, and untacking. In the evening, you are welcomed to help feed and water the horses.

Assistance is always on hand if necessary.

TRIP CONDITIONS AND REQUESTED EXPERIENCE

Guests who do not ride regularly are requested to get fit prior to this riding holiday. It is of particular importance to ensure you are comfortable and balanced when riding across rough terrain and open spaces. Hours in the saddle are however quite short and this is a relaxed riding holiday.

EQUESTRIAN EQUIPMENT

English saddles and bridles. Small saddlebags are provided.

We recommend our riders to wear a helmet to the correct standard and you should bring your own to ensure a proper fit.

COMFORT

On this riding holiday, you will be staying at a renovated equestrian farm that is our guides' home base. Riding guests stay in double or triple en-suite rooms and can enjoy the cosy ambiance of the sitting rooms. This is quite a lovely farm setting and perfect for those who would like to reconnect with nature, including many friendly pet farm animals and sign-posted walking trails.

A laundry room is available (no dryer).

MEALS

Full Irish breakfasts are served in the morning.

Lunches are varied and there is one picnic provided during your stay.

Three course dinners, always tasty and fresh – meat, potatoes, salads are a staple!

Vegetarian, lactose and gluten-free diets can be accommodated on request. Please make sure to mention it at the time of your booking.

CLIMATE

The west coast of Ireland has an oceanic climate which is changeable and can be wet. In Spring the temperatures range from 8-12c. April is particularly pleasant. In summer (May-July) the highest average temperatures are 18-20c, whilst in Autumn (Aug - Oct) the temperatures range from 14-18c.

September is considered to be mild and temperate. The coldest months are January and February and sometimes temperatures drop below zero.

Snow is rare, but there can be heavy rainfall at any time of year.

Tips are appreciated but not expected. You should give what you feel is appropriate and you feel comfortable with.

SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
