Upon arrival, you will be transferred from the airport to the accommodation (around 3h drive). At the guesthouse, you will be received with a welcome drink and a hearty dinner.

Day 2 — 2: Stramba Valley - Approx. 3 hours riding

Sinca Noua Guesthouse

After breakfast, you will go on a short tour of the farm and meet the horses. Soon enough, you will take off on your first trail, a short introductory ride along beautiful hay meadows and ancient pastureland. The hills offer lovely sweeping views and the open meadows are conducive to a faster pace. You will cross an old beech forest, before making your way back to the guesthouse.

After lunch, you will drive up towards the famous Stramba Valley forest – a UNESCO World Heritage Site. From there, you will set off on a 2-hour hike to learn more about the ecosystem of the mixed mountain forests of the Carpathians.

Dinner and overnight at Sinca Noua.

Day 3 — 3: Mountain Exploration - Approx. 4/5 hours riding

 Sinca Noua Guesthouse

Today you will head out on a full day ride along meadows and through forests in the mountain foothills. There are plenty of opportunities to trot and canter. No doubt that you will be impressed by the variety of wild flowers in the springtime, and with a little luck you might even come across tracks of bears or wild boar.

After lunch break, enjoy beautiful panoramic views as you make your way back to the stables.

Overnight at Sinca Noua guesthouse.

Day 4 — 4: Sighisoara & Viscri - No riding

 Sinca Noua Guesthouse

Today horses and riders will have a deserved break while you go on to explore more of this rural area in Transylvania. After leaving Sinca Noua, and driving for a couple of hours, you will arrive at Sighisoara, one of the cultural centres of the Transylvanian Saxons. You will then visit the village of Viscri, known for its fortified church, yet another UNESCO World Heritage Site.

Transfer back to the accommodation, where a traditional Saxon meal awaits you.

Day 5 — 5: Forests & Camping - Approx. 4/5h riding

 Sinca Noua Guesthouse

Today you will set off on a 2-day 50km roundtrip that will lead you through the endless forests of Transylvania. You will cross different meadows which will invite you to some long canters.

In the afternoon, you will head to the overnight location. Upon arrival, you will feel as if you travelled back in time. The inhabitants of the few mountain farms around rely on the horse to develop their crops, and have no access to electricity or running water.

The camp will be set up in one of the farms with breathtaking views over the valleys. Enjoy a rustic dinner cooked over the fire before calling it a night.

Please note that, if you don't fancy camping out in tents, the local team will pick you up after dinner (20 min walk is necessary) and drive you to the guesthouse for the night and back again the next morning. This transfer is free of charge.

Day 6 — 6: Wild Forests of Transylvania - Approx. 4/5h riding

 Sinca Noua Guesthouse

In the morning, you will pack your belongings set out for another ride in the wild forests of Transylvania. It is quite common to find tracks of wolves or bear in this area – although actually spotting them is a more arduous mission!

Arrive at back at the guesthouse in the afternoon and spend the rest of the day at leisure.

Tonight, you may visit a hide in the forest where you have high chances of spotting bear. Depending on local conditions this might be offered on a different night.

Day 7 — 7: Dracula's Castle - Approx. 3h riding

 Sinca Noua Guesthouse

After a lovely breakfast, you will set off on your last ride of the week, another 3h loop with the chance to enjoy a few more canters before returning to the guesthouse for lunch.

In the afternoon, you will ride towards the nearby Bran castle, also known as Dracula's castle. Here you will learn that the history is much more exciting than the legend...

After dinner at the guesthouse, you may watch a video about your hosts' conservation or enjoy the open fire for a drink.

Day 8 — 8: Bucharest – Home - No riding

After breakfast, you will be transferred to the airport. Please book a flight departing after 2:00 pm to allow time for your transfer.

TRAVEL INFO

COMFORT

Accommodation is in a guesthouse located in the same property as the stables. The guesthouse has nine en-suite rooms, some of which are suitable for families. On the ground floor, there is a spacious dining room where meals are served. There is a lounge area with a bar and a fireplace so you can relax in the evenings. Wi-Fi is available.

Between May and September, there is usually one night spent camping in the mountains in dome tents (a minimum of 3 guests is required). You can rent a sleeping bag locally (check "Dates&Prices for more details).

MEALS

On this holiday, you will experience a variety of Romanian dishes and western cuisine. All meals offer a wide variety of organic produce that are harvested directly from the property's garden. The meat is also organic and locally sourced. Jams, spreads, breads and desserts are home-made.

Special diets can be accommodated. Please let us know in advance.

CLIMATE

In spring and early summer, temperatures are pleasant (20-25°C). This is a great time to enjoy the spring flowers in full bloom. Summer may get rather hot (especially July/August). Riding hours during these months are often adjusted to avoid the afternoon heat. Autumn is a nice season to visit and enjoy the beautiful fall colours (average temperature of 18°C). The winter is somewhat unpredictable though there is usually a good chance of snow in January/February.

TIPS

Tipping is common in Romania. We suggest around €40 for the staff for a one-week stay.

Our Recommendations

- Backpacks cannot be worn whilst riding. We recommend a small bum bag or a coat with pockets so that you can carry small items with you during the day (passport, camera, sunscreen, lipbalm etc)
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!
- You should also bring a copy of your passport/insurance in case you lose your documents. You can also save a copy into your mobile phone.

SUSTAINABLE TOURISM

1. Travel light. It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. Reduce plastic waste. Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. Preserve nature. Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. Choose your experiences carefully. Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. Support local populations. Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. Share! Raise awareness among your family and friends about sustainable tourism.
