PACKING LIST

Head

- A riding helmet is mandatory, and we recommend that you take your own to ensure a correct fit. Helmet makers (GPA, HKM, LAS Helmets, Lamicell, Troxel, Equithème) now offer horse-riding helmets that are ventilated, strong, light and comfortable.
- Sunglasses - with a cord attached so they don't fly off when riding

Upper body

- Long sleeved shirts provide protection from the sun or extra warmth
- T-shirts
- Lightweight fleece or jumper
- Rain jacket
- Bathing suit or similar

Lower body

- Lightweight, comfortable riding trousers or jodhpurs - we recommend riding in them at home before taking them on holiday to ensure they don't rub
- Casual clothes for the evenings (jeans or walking trousers)
- Non-irritant cotton or synthetic underwear

Hands and Feet

- Comfortable riding boots.
- Lightweight shoes for the evenings
- Several pairs of warm socks
- Gloves - your hands are particularly exposed to the sun, wind or rain whilst riding

Other useful items

- Water bottle (1.5 litres or 2 equivalent)
- Toiletries
- Ear plugs
- Camera and memory card. Spare battery

Medical kit

Make sure any allergies (to medication or otherwise) and clearly stated in your medical kit

- Any medication you regularly take
- Painkillers
- Imodium or similar anti-diarrhea medication
- Sunscreen and lip balm
- Eye drops
- Plasters
- Blister plasters in case of any rubs
- Antiseptic cream, plasters, aspirin, anti-histamine, insect-bite salve etc..
- Spare prescription glasses/contact lenses
- Antiseptic wipes

Our Recommendations

- Backpacks cannot be worn whilst riding. We recommend a small bum bag or a coat with pockets so that you can carry small items with you during the day (camera, sunscreen, lip balm etc)
- A soothing cream may be useful to treat areas irritated by long hours in the saddle
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!
- Keep a copy of your passport and insurance details with you.

In your hold luggage

- Any liquids, such as shampoo, moisturiser, deodorant over 100 ml and all bottles can be decanted into small, clear, plastic Ziplock bags. We recommend biodegradable washing products where possible.
- We recommend taking a copy of your passport and insurance documents with you in case you lose your originals
- In your hand luggage carry any valuables, such as your camera, ipod, ipad etc.

-
1. Travel light. It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
 2. Reduce plastic waste. Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
 3. Preserve nature. Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
 4. Choose your experiences carefully. Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
 5. Support local populations. Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
 6. Share! Raise awareness among your family and friends about sustainable tourism.
