Day 1 — 1: EUROPE - ALMERIA

 Sotillo Hotel

Fly to Almeria. You will be transferred to the accommodation where you will meet your guide and fellow riders (transfers are not included). Enjoy your first night in Spain with a delicious locally cooked dinner.

Overnight at the Sotillo hotel (or Dona Pakyta)

Day 2 — 2: SAN JOSÉ - GENOVESES BEACH - SAN JOSÉ - 5-6 hours riding

After breakfast, your guide will introduce you to the safety procedures, and pair you with your horse.

Start your trail ride towards Genoveses - arguably one of the most famous beaches in Spain. Discover the pristine coastline of the Mediterranean as you allow your horse to stretch their legs across the white sands of Mónsul and Media Luna. A perfect photo opportunity set in one of the most iconic film sets for films such as "Indiana Jones" or "Lawrence of Arabia". Enjoy a picnic at the foot of the Cortijo "El Romeral", an Andalusian farm. End your day on a high as you ride up into the Del Tesorillo valley. Dinner and overnight at the Sotillo hotel (or Dona Pakyta).

Day 3 — 3: SAN JOSÉ - RODALQUILAR - 5-6h riding

 Oro y Luz Hotel

After breakfast, you will start today's ride in the north of the park where the Sierra de Gata Mountains are located. Enjoy the peace and tranquillity of the mountain range as your ride across fields and hills, and pass through an original Spanish village of Los Albaricoques. Today, most of the village houses have been refurbished, stripping away the original Old West style theme, but as you ride through the narrow streets, you may see some familiar street names of famous films and actors that were made here. Let your horses have a well deserved break close the iconic El Cortijo del Fraile, where you can enjoy a picnic lunch. You will ride back to the hotel in the afternoon. Dinner and overnight at the hotel.

Day 4 — 4: RODALQUILAR - ISLETA DEL MORO- SAN JOSÉ - 5-6 hours riding

 Sotillo Hotel

Your final day in the saddle. As you leave behind Rodalquilar, you will ride along the beautiful coast line on a track that was once used to protect the local villages from pirate attacks. Take a look back into history as you pass the small castles and watch towers of this idyllic region. After an adventurous morning, enjoy a picnic in a small oasis, under the shade of large palm tree leaves on the beautiful beach of Escullos.

Overnight at the Sotillo hotel (or Dona Pakita)

Day 5 — 5: ALMERIA - EUROPE

The last breakfast with your group and your brilliant guides, before saying goodbye.

Note: Check out from the hotel at 12 noon at the latest.

Our recommendations

- Backpacks cannot be worn whilst riding. We recommend a small bum bag or a coat with pockets so that you can carry small items with you during the day (passport, camera, sunscreen, lipbalm etc)
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!
- You should also bring a copy of your passport/insurance in case you lose your documents. You can also save a copy into your mobile phone.

SUSTAINABLE TOURISM

1. Travel light. It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. Reduce plastic waste. Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. Preserve nature. Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. Choose your experiences carefully. Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. Support local populations. Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. Share! Raise awareness among your family and friends about sustainable tourism.
