Overnight at Cerquido by NHÔME.

Day 2 — 2: Senhora do Minho - 4h riding

 Cerquido by NHÔME

Today's route will take through old racing tracks and winding scenic routes with mountain views. You will eventually arrive at a quaint village where you will find your lunch spot – a local restaurant. You will have the opportunity to taste a few traditional recipes like Caldo Verde and Feijoadà à

Transmontana (may vary depending on the week).

In the afternoon, you will ride towards the top of Serra D’Arga, where you will find the Sanctuary of Nossa Senhora do Minho - a popular pilgrimage site. The horses will spend the night here, but you will head back to the accommodation. On the way, you may stop to see the herds of Garrano – a native breed of semi-wild horses.

Dinner and overnight at Cerquido by NHôme.

Day 3 — 3: Argas - 4h riding

 Cerquido by NHôme

Today you will transfer back to meet the horses and set off riding through rugged landscapes. As you make your way towards Argas, you will pass through ancient villages perched on the hills, their stone houses and narrow paths telling stories of a slower, simpler time. Everyone will enjoy a picnic-style lunch before following the trail leading to S. João D’Arga - a secluded monastery nestled in the heart of the mountain. In the afternoon, you will make your way back to the accommodation, only this time you will enjoy faster paces along the dirt roads.

You can enjoy the rest of the day by the infinity pool or, if the weather is cloudy, you can use the indoor pool. Massages are also available (booking required, not included in the price).

Dinner and overnight at Cerquido by NHôme.

Day 4 — 4: Santa Rita - 4h riding

 Cerquido by NHôme

After breakfast, you will ride through forest paths leading you to Capela de Santa Rita. Sitting at the top of the hill, this chapel was built in honour of saint Rita, who is known for being the “patroness of lost causes”. You will stop here for a picnic lunch.

In the afternoon, you will ride through grape vines and open fields, which are ideal for long canterers. The rest of the afternoon is yours to relax, read a book or use the spa facilities. It is also possible to arrange a dressage lesson (not included in the price, please let us know at the time of booking).

Dinner and overnight at Cerquido by NHôme.

Day 5 — 5: Ponte de Lima - 4h riding

 Cerquido by NHôme

After breakfast, both you and the horses will be transferred to the starting point of the today’s trail. The route will follow the Lima river all the way to Ponte de Lima, an old and quaint Portuguese village that dates back to the 12th century. Throughout the day, you will see various landmarks, including a statue inspired by “Rio Lethes” (a Roman legend), as well as the iconic Roman bridge which is an important landmark along the Camino de Santiago. On your way back to the horse trailer, you will have your last canter of the week. After parting ways with the horses, you will have lunch at a local restaurant. Before heading back to the Cerquido you will have some time to explore the town.

Day 6 — 6: Porto - Home - No riding

After breakfast, you will be transferred to the airport for your flight home, arriving at around 10am. (Please ensure your return flight leaves after 12pm so you have enough time to check in and go through security).

You will need to bring a jacket and warm layers for the mountains, just in case.

Head

- You will be expected to wear a riding helmet and we recommend that you take your own to ensure a correct fit
- Sunhat for when not riding
- Sunglasses - with a cord attached so they don't fly off when riding
- Buff or bandana for protecting your neck and face from the sun and dust

Upper body

- Thermal long-sleeved tops are a lightweight way of providing extra warmth, particularly in spring/autumn
- Long sleeved shirts to provide protection from the sun
- T-shirts
- Lightweight fleece or jumper
- Warm polar fleece or equivalent
- Waterproof jacket - rain can be difficult to predict and it's better to be prepared.

Legs

- Lightweight, comfortable riding trousers or jodhpurs - we recommend riding in them at home before taking them on holiday to ensure they don't rub
- Waterproof over trousers
- Casual clothes for the evenings (jeans or walking trousers)
- Thermal leggings

Hands and Feet

- Comfortable riding boots. We recommend short boots with half chaps but you may wish to take long chaps or long boots.
- Lightweight shoes for the evenings
- Several pairs of socks
- Gloves - your hands are particularly exposed to the sun, wind or rain whilst riding

Nightwear

- Pyjamas etc

Other useful items

- Swimsuit
- Bumbag for carrying your camera and small items whilst riding
- Water bottle
- Ear plugs (for light sleepers)

In your hand luggage

- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!

SUSTAINABLE TOURISM

1. Travel light. It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. Reduce plastic waste. Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. Preserve nature. Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. Choose your experiences carefully. Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. Support local populations. Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. Share! Raise awareness among your family and friends about sustainable tourism.
