#### Day 1 — 1: Home – Ljubljana Airport

🏠 Pri Pozarju Farm

Fly to Ljubljana airport. Flights are not included but can be arranged upon request. Please make sure to book a flight landing before pm ready for your group transfer.

Upon arrival, you will be transferred from the airport to the accommodation in Bač ( 1.5h drive). After settling into your room, you will have dinner with the team and the other riders at a small local restaurant.

Overnight at the guesthouse.

#### Day 2 — 2: Lipica Stud Farm - Approx. 3h riding

🏠 Pri Pozarju Farm

After breakfast, you will be transferred to the stables in Šembije to meet your horse. This morning is a gentle introductory ride through the surrounding countryside, giving you time to get used to your horse and the western tack.

After lunch, you travel by car to the world-famous Lipica Stud Farm, birthplace of the Lipizzaner horse. Here you can explore the estate, see the mares and foals in the paddocks and, if you wish, watch the performance of the classical riding school.

Return to Bač for dinner and overnight.

Note: Entry fees and activities at the stud farm are not included and should be paid locally (check the "Dates&Prices" tab).

## Day 3 — 3: Karst Landscapes & Hidden Trails - Approx. 6-7h riding

---

 Pri Pozarju Farm

Today you start your trail through the wild Karst landscape, a region of limestone hills and disappearing lakes. From the stables you ride under a natural rock wall and through a tunnel cut into the stone before climbing to Silentabor, a hilltop viewpoint with beautiful panoramas of the surrounding forests and valleys.

You continue to Zagorje for lunch in a local pub, then ride along the slopes of Primož, passing the remains of Second World War tunnels and following tracks across the Pivka River floodplains. In the late afternoon you reach Trnje, where the horses stay overnight, and you return by vehicle to Bač for dinner.

Overnight at the guesthouse.

## Day 4 — 4: Seasonal Lakes - Approx. 6-7h riding

---

 Pri Pozarju Farm

Today you will ride from Trnje towards two of the mysterious seasonal Pivka Lakes – Petelinjsko Jezero and Palsko Jezero. These lakes form part of a unique karst phenomenon: after periods of heavy rain they fill with water, only to drain away underground and leave rich green meadows behind.

You continue past the romantic ruins of Kalec Castle, where you rest beneath old linden trees, before riding on across open pastures and fields to reach the village of Bač for lunch. In the afternoon you follow quiet woodland tracks back towards Šembije, where the horses spend the night.

Overnight at the guesthouse.

## Day 5 — 5: Postojna Cave & Predjama Castle - Approx. 4h riding

---

 Pri Pozarju Farm

The morning will be spent away from the horses. You will visit Postojna Cave, one of Europe's largest and best-known cave systems, with its impressive chambers and underground formations. You then continue to Predjama Castle, a dramatic medieval fortress built into the mouth of a cliff-side cave.

After lunch you return to the horses for an afternoon ride that descends through woodland to the Reka River. You then climb back up through the hills and, with a little luck, can enjoy sunset views from a ridge or among the grazing horses before returning to Bač for dinner.

## Day 6 — 6: Piran Port Tow - No riding

---

 Pri Pozarju Farm

Today is a rest day for the horses. Riders will head off to Piran, one of Slovenia's historic port towns, built on a small peninsula. This town is protected by the Slovenian government for its historical significance. Its winding alleyways and tightly packed houses stretch from the hillside down to the church and central square, all in a distinct Mediterranean style.

Lunch is to your account in town.

At the end of the day, you will meet up with your guide and return to Trnje for dinner.

Overnight at the guesthouse.

## Day 7 — 7: Milojna - Approx. 6-7h riding

---

 Pri Pozarju Farm

Today you will meet the horses at the stables in Sembije (short drive required), and ride to Milojna. As this area is bear territory, you may see bear tracks and, if you are really lucky, you might even spot one! From the higher ground there are sweeping views across the hills before you stop for lunch at a rustic forest cottage near former WWII tunnels. In the afternoon you ride back towards Šembije, where the trail ends, and return to Bač for a farewell dinner and final night in the Karst.

Dinner at a local restaurant. Overnight at the guesthouse.

## Day 8 — 8: Home

After breakfast, you will be transferred to the airport. Please book a flight departing after 12pm.

### **TIPS**

Tips are appreciated but not expected.

### **PACKING LIST**

**Please pack carefully and sensibly: the following guide is here to give you an idea of what to bring. This list must be adapted depending on the season and individual needs.**

#### Head

- Riding helmet - we recommend that you take your own to ensure a correct fit.
- Sunhat for when not riding.
- Sunglasses - with a cord attached so they don't fly off when riding.
- Buff or bandana for protecting your neck and face from the sun and dust.

#### Upper body

- Thermal long-sleeved tops are a lightweight way of providing extra warmth, particularly in the spring and autumn
- Long sleeved shirts to provide protection from the sun
- T-shirts

- Lightweight fleece or jumper
- Warm polar fleece or equivalent
- Waterproof jacket - rain can be difficult to predict and it's better to be prepared.

#### Legs

- Lightweight, comfortable riding trousers or jodhpurs - we recommend riding in them at home before taking them on holiday to ensure they don't rub
- Waterproof over trousers
- Casual clothes for the evenings (jeans or walking trousers)
- Thermal leggings

#### Hands and Feet

- Comfortable riding boots. We recommend short boots with half chaps but you may wish to take long chaps or long boots
- Lightweight shoes for the evenings
- Several pairs of socks
- Gloves

#### Nightwear

- Pyjamas

#### Other useful items

- Toiletries
- Bumbag for carrying your camera and small items whilst riding.
- Water bottle
- Ear plugs (for light sleepers)

#### Medical kit

#### Our Recommendations

- Backpacks cannot be worn whilst riding. We recommend a small bumbag or a coat with pockets so that you can carry small items with you during the day (passport, camera, sunscreen, lipbalm etc)
- We recommend travelling in your riding boots and carrying your hat and some riding clothes in your hand luggage - then if your luggage goes astray you are still able to ride!
- You should also bring a copy of your passport/insurance in case you lose your documents. You can also save a copy into your mobile phone.

## SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
