## EQUESTRIAN INFO

### Horses

---

A well-loved and well-mannered herd of around thirty, carefully selected to suit riders of all abilities. Living out for most of the year, they are relaxed, happy, and well-adjusted. You'll find a great mix of traditional Irish cobs, Connemaras, and some Irish Sport Horses - each with their own personality, but all calm, willing, and enjoyable to ride.

Whether you're a confident novice or an experienced equestrian, there's a horse to match your level and preferences. None are overly "spicy," yet they are forward-going, responsive, and a pleasure to ride across Wicklow's varied terrain. Regular schooling, trail work, and consistent exercise keep them fit, balanced, and well-prepared for every kind of rider. Please note that as there are no ponies in the herd, young riders should already be comfortable handling and riding horses.

### Guide & local team

---

Your hosts are Kieran and Niall.

Kieran Morrin was born in Co. Dublin, the youngest of a family of eight children, in 1959. He started riding at the age of six and has competed all over Ireland at the national level. Kieran has represented Ireland in show jumping and has competed many times in the RDS Horse Show. He is both a host and lead guide.

Niall is the holiday co-ordinator and host. He provides exceptional service to the guests, beginning with their airport pickup and continuing throughout their entire stay. He is the heart of the operation. Niall is an electrical engineer by trade and a Dublin man. He owned and ran a successful business before retiring to the "Good Life" in The Garden of Ireland. Niall's passion after horses is his free-roaming hens. He has been the National Riding Club Show jumping champion two years in a row and now competes regularly on the dressage circuit.

Their beloved dogs, Bear and Harvey, are also part of the team!

## SUSTAINABLE TOURISM

1. **Travel light.** It's a little known fact, but the lighter you pack, the better for the environment as heavy bags will produce higher emissions (when flying a plane or driving a car!).
2. **Reduce plastic waste.** Take your favorite reusable bottle with you. Avoid single-use bags, cups, or straws.
3. **Preserve nature.** Always take your rubbish with you during the ride and recycle them. Leave all the flowers or plants as you found them, and never get too close when observing wildlife. Make sure to use eco-friendly products such as body wash or laundry detergent (if camping) to protect both your skin and the environment.
4. **Choose your experiences carefully.** Respect animal life by not participating in any activities that abuse wild animals (shows, elephant rides, etc.).
5. **Support local populations.** Buy local handicrafts, be respectful of customs, and learn about the culture of local communities.
6. **Share!** Raise awareness among your family and friends about sustainable tourism.
