Ant'sNestLodge

### **Davidson Suite – Standard Room**

These are two cosy bedrooms located downstairs in the original farmhouse, which are ideal for couples, solo travellers or small family group. The double room has a four-poster bed (which can be converted into a twin) and en-suite bathroom, with doors opening up onto a private veranda area with outside seating. It also has a lounge/dressing area. This room is perfect for friends sharing, couples, singles and can also be triple with the addition of a day bed into the lounge. Located next door is a twin room (which can be converted to a double), also with en-suite bathroom and doors opening out to the shady terrace.

These rooms can be booked individually or by a family group as they are adjacent to one another. The two rooms are connected by a passage to a cosy sitting-room with an open fireplace, perfect for relaxing on those chilly evenings, and an indoor dining and bar area.
