Ant's Nest Lodge

Kingfisher/Flycatcher Suite - Standard Room

These are two new (2022), comfortable bedrooms located just off the main lodge of Ants Nest. Flycatcher has a double four-poster bed and en-suite bathrooms (shower only), with doors opening up onto private veranda areas with outside seating. Kingfisher has a small double bed and is reserved for solo riders (single use). They are located only a few steps away from the main lodge, bar and pool. Kingfisher faces the lodge while Flycatcher has a private garden facing the boma. These rooms cannot be a twin option and are sold separately with individual entrances. They are better suited for singles and couples. Approx size 35 sqm.
