# Go on an adventure this summer with a horse riding holiday

Summer is just around the corner and it is not too late to think about your holiday. Equus Journeys, horseback travel specialists, have selected last minute departures with rides to suit every rider and every budget.

Always wanted to gallop with giraffe in Botswana, take part in the daily life of a US ranch, or ride across the rustic beauty of the Italian countryside? Equus Journeys offer a selection of guaranteed departures for worldwide destinations this summer. With some interesting last minute discounts, now is the best time to book a summer holiday! You could ride across the stunning valleys of Central Croatia for as little as £750 (8 days – 5 days riding), or canter on unspoiled beaches in Madagascar from £2,250 (17 days – 12 days riding). And these are just a few ideas...

With over 150 rides on offer, we have the perfect holiday for every rider. All rides are carefully selected and assessed to ensure that riders have the best experience. Equus Journeys only work with guides who can guarantee the well-being of their horses and the safety of their riders. Tailor-made trips can also be organised on demand.

"It was a holiday of a lifetime... It sounds a bit cheesy, but it is the only way to describe it and it will take a bit of beating!"
